Dear Clerk,

The purpose of this letter is to show that a trust account statement cannot be obtained within (15) days, because I do not have the \$50 available for the cost for the copies I need for my account for the last (6) months. So I'm indicating that a request for my trust account was made on 1-21-11. (see attached request form) Thank you so much for your time, and patience in this matter.

Respectfully yours,

Corey P. McNeil
