Dear Court Clerk,

I was unable to pay the \$5.00 filing fee because my funds are insufficient at this time. The copies that were required to file my petition was \$43.50, and I asked the institution to please grant me a loan for the copies, which they did. So I thought that the \$5.00 that was on my account would be used for the filing fee, but the institution already deducted my funds. With this said, and the showing of proof, is there enough time to possibly get an extension, or file for in forma pauperis. Please give me some advice on what to do as I want get time barred if possible. Thank you for your time, and patience in this matter.
