Re: Employment Dispute with DynCorp International, LLC

Dear Rosetta,

Thank you for your interest in our services. Unfortunately, as discussed on July 14, 2011, after reviewing your information provided, we will not be able to assist you with your above legal matter on a contingency fee basis. We have not been engaged at anytime to file a lawsuit or provide any other legal services and have not taken any action other action to protect your rights or interests. We also are not engaged to provide any other or further services at this time. Instead, we have only reviewed the information you provided to us for possible employment of our firm.

It is unfortunate that we were unable to timely receive all of the documents as originally requested to allow us to conduct a more efficient review. Instead, the information and documents got strung out over several weeks, causing disjointedness and delay in our review. Last Thursday and Friday we finally received the emails, military statement, and additional recordings, which I was able to review late Friday and this past weekend. We still have never received, however, our chronology and witness list forms filled out as we requested. I understand you are also waiting on your documents from the EEOC.

As discussed, last Thursday, we have declined to accept this case on a contingency fee basis based on our review. Instead, we would only consider assisting you in this matter charged at our hourly rate on a retainer basis (my current rate is \$285.00/hour plus costs and expenses while my staff rates are considerably less.) If you are interested in this type of an arrangement, please let me know immediately and we can discuss the amount of an initial retainer(s) and our policy on replenishing retainers. An initial retainer will be required in place before we are engaged. Attached is our firm's agreement for an hourly based fee for your consideration. We can fill it in appropriately if we reach an agreement.

If you wish to proceed on an hourly fee basis, please let me know by July 20, 2011, so that we can reach an agreement and then begin to gear up for timely filing suit well in advance of your **August 15, 2011**, deadline. Please understand that our declining to assist you in this matter on a contingency fee basis is not a comment on the severity of the ordeal you have experienced. Otherwise, due to the nature and time urgency of your situation, I strongly advise that you immediately take this matter to another attorney.

BE AWARE OF STATUTE OF LIMITATIONS

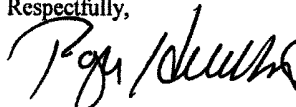

As a reminder, if you wait too long before filing a civil lawsuit in the appropriate court you will come flat up against the statute of limitations. **IF YOU FAIL TO FILE SUIT BEFORE THE EXPIRATION OF THE APPLICABLE STATUTE OF LIMITATIONS AND/OR OTHER LEGAL DEADLINE, YOU WILL LOSE YOUR RIGHTS TO PURSUE YOUR CLAIM IN CIVIL COURT.** In other words, you lose your legal rights against the responsible parties! That would be a serious mistake. Again, the following statutes of limitations and deadlines may apply to your case, in the least:

August 15, 2011 -	<u>for violations under Title VII under your EEOC complaint (race/color)</u>
4 years -	<u>for breach of contract, and fraud claims.</u> (Texas Law)
2 years -	<u>for negligence, misrepresentation and many tort claims.</u> (Texas Law)

CAUTION: There may be other applicable statutes of limitations, including such foreign law or other state laws of which we are not familiar.

Please let us know your decision upon receipt of this letter. I remain,

Respectfully,

Roger L. Hurlbut

**INFORMATION RELATED TO FILING SUIT
UNDER THE LAWS ENFORCED BY THE EEOC**

*(This information relates to filing suit in Federal or State court under Federal law.
If you also plan to sue claiming violations of State law, please be aware that time limits and other
provisions of State law may be shorter or more limited than those described below.)*

**PRIVATE SUIT RIGHTS -- Title VII of the Civil Rights Act, the Americans with Disabilities Act (ADA),
the Genetic Information Nondiscrimination Act (GINA), or the Age
Discrimination in Employment Act (ADEA):**

In order to pursue this matter further, you must file a lawsuit against the respondent(s) named in the charge **within 90 days of the date you receive this Notice**. Therefore, you should **keep a record of this date**. Once this 90-day period is over, your right to sue based on the charge referred to in this Notice will be lost. If you intend to consult an attorney, you should do so promptly. Give your attorney a copy of this Notice, and its envelope, and tell him or her the date you received it. Furthermore, in order to avoid any question that you did not act in a timely manner, it is prudent that your suit be filed **within 90 days of the date this Notice was mailed to you** (as indicated where the Notice is signed) or the date of the postmark, if later.

Your lawsuit may be filed in U.S. District Court or a State court of competent jurisdiction. (Usually, the appropriate State court is the general civil trial court.) Whether you file in Federal or State court is a matter for you to decide after talking to your attorney. Filing this Notice is not enough. You must file a "complaint" that contains a short statement of the facts of your case which shows that you are entitled to relief. Your suit may include any matter alleged in the charge or, to the extent permitted by court decisions, matters like or related to the matters alleged in the charge. Generally, suits are brought in the State where the alleged unlawful practice occurred, but in some cases can be brought where relevant employment records are kept, where the employment would have been, or where the respondent has its main office. If you have simple questions, you usually can get answers from the office of the clerk of the court where you are bringing suit, but do not expect that office to write your complaint or make legal strategy decisions for you.

PRIVATE SUIT RIGHTS -- Equal Pay Act (EPA):

EPA suits must be filed in court within 2 years (3 years for willful violations) of the alleged EPA underpayment: back pay due for violations that occurred **more than 2 years (3 years) before you file suit** may not be collectible. For example, if you were underpaid under the EPA for work performed from 7/1/08 to 12/1/08, you should file suit **before 7/1/10 -- not 12/1/10** -- in order to recover unpaid wages due for July 2008. This time limit for filing an EPA suit is separate from the 90-day filing period under Title VII, the ADA, GINA or the ADEA referred to above. Therefore, if you also plan to sue under Title VII, the ADA, GINA or the ADEA, in addition to suing on the EPA claim, suit must be filed within 90 days of this Notice **and** within the 2- or 3-year EPA back pay recovery period.

ATTORNEY REPRESENTATION -- Title VII, the ADA or GINA:

If you cannot afford or have been unable to obtain a lawyer to represent you, the U.S. District Court having jurisdiction in your case may, in limited circumstances, assist you in obtaining a lawyer. Requests for such assistance must be made to the U.S. District Court in the form and manner it requires (you should be prepared to explain in detail your efforts to retain an attorney). Requests should be made well before the end of the 90-day period mentioned above, because such requests do not relieve you of the requirement to bring suit within 90 days.

ATTORNEY REFERRAL AND EEOC ASSISTANCE -- All Statutes:

You may contact the EEOC representative shown on your Notice if you need help in finding a lawyer or if you have any questions about your legal rights, including advice on which U.S. District Court can hear your case. If you need to inspect or obtain a copy of information in EEOC's file on the charge, please request it promptly in writing and provide your charge number (as shown on your Notice). While EEOC destroys charge files after a certain time, all charge files are kept for at least 6 months after our last action on the case. Therefore, if you file suit and want to review the charge file, **please make your review request within 6 months of this Notice**. (Before filing suit, any request should be made within the next 90 days.)

IF YOU FILE SUIT, PLEASE SEND A COPY OF YOUR COURT COMPLAINT TO THIS OFFICE.

Please check one of the boxes below to tell us what you would like us to do with the information you are providing on this questionnaire. If you would like to file a charge of job discrimination, you must do so within either 180 or 300 days from the day you knew about the discrimination. The amount of time you have depends on whether the employer is located in a place where a state or local government agency has laws similar to the EEOC's laws. If you do not file a charge of discrimination within the time limits, you will lose your rights. If you want to file a charge, you should check Box 1, below. If you would like more information before deciding whether to file a charge or you are worried or have concerns about EEOC's notifying the employer, union, or employment agency about your filing a charge, you may wish to check Box 2, below.

Box 1

I want to file a charge of discrimination, and I authorize the EEOC to look into the discrimination I described above. I understand that the EEOC must give the employer, union, or employment agency that I accuse of discrimination information about the charge, including my name. I also understand that the EEOC can only accept charges of job discrimination based on race, color, religion, sex, national origin, disability, age, or retaliation for opposing discrimination.

Box 2

I want to talk to an EEOC employee before deciding whether to file a charge of discrimination. I understand that by checking this box, I have not filed a charge with the EEOC. I also understand that I could lose my rights if I do not file a charge in time.

My name is Rosetta Spencer. I work for Dyn Corp International as a security guard overseas at Camp As Saylah.

On August 5, 2008, There was a safety incident that involved the loading of a M16 weapon at an undesignated area with the muzzle pointed at my head. Myself Rosetta Spencer the victim Mr Mario Soto the accused and Mr Richard Shilkus the witness. We are all employed by Dyn Corp International as security guards at Camp As Saylah.

Tuesday on August 5, 2008, around 04:35 am in the hallway of building 200A. While I Rosetta Spencer was bent down at my locker, Mr Soto was standing behind me speaking to Mr Shilkus. I Rosetta Spencer looked up at Mr Soto and saw Mr Soto load his magazine into his M16 while it was pointed at my head. I Rosetta Spencer then stood up and said, what the fuck are you doing Soto? You don't do no shit like that. I Rosetta Spencer then shoved Mr Soto to the wall. Then I Rosetta Spencer said, "you load your fuckin weapon at the clearing barrel. Then Mr Soto said, "OK, I know where to go." At that time Mr Nappi came in from outside. Then I Rosetta Spencer asked Mr Nappi to disarm Mr Soto and rearm him.

I Rosetta Spencer can't begin to describe how scared, nervous

and angry I was with that gun pointed at my head. In an instinct because of Mr Soto's carelessness and total disregard of proper procedures and policies on safety anything have happend.

The infrastructure of our job is based upon safety. We as guards work 6 days out of a week. It is complete muscle memory to load and unload our weapons at the clearing barrel with a lead guard as our **Safety** instructor. That is the authorized designated area as per Military and policy to load and unload all weapons.

With all being said, Mr Soto had no muzzle awareness at that point. Mr Soto by his own admission demonstrated and displayed an unsafe act with no justification. I Rosetta Spencer feels that this matter needs complete urgency.

On Tuesday August 5, 2008 I requested to have a meeting with Mr West and Mr Moore The Deputy /Operations Support Managers. The meeting commenced at 13:45 pm.

Myself Rosetta Spencer, Mr Nappi, ~~Mr~~ West and for about 15 minutes Mr Moore. Mr West lead the meeting. I explained to Mr West about what happened Mr West advised that is a terminal offense. My self and Mr Nappi agreed. Myself and Mr Nappi advised that Mr Soto's disregard to safety, policies and regulations were completely unexceptable.

Then Mr West advised He was not going to terminate Mr Soto because the Company (Dyn Corp Intl)

Mr Nappi also advised Mr West that Mr Soto was an Armor and LTC moysc (Pmo) removed him from the arms room. ~~There~~ was something in his background records caused for his immediate removal.

Mr West conveyed that Mr Soto's corrective action would be a lead guard escort him from the armor window to the clearing barrel everyday. Mr West asked me how I felt about that and demanded a yes or no answer. I Rosetta Spencer told Mr West that I had complete tunnel vision on the matter and my answer is, "No". I advised Mr West it was my head at the end of that M/I/O.

Mr Nappi called Mr Soto into the office. He admitted to Mr West what happened and left the room.

Mr West advised, he wanted a (3) page essay from Mr Soto on weapons safety. I Rosetta Spencer intervened and said, he at least needs to be disarmed for 30 days. Then Mr West agreed to disarm him.

Every since the incident I have not been able to sleep well. I Rosetta Spencer get very emotional thinking about what happened. And ~~I'm~~ **angry** at the fact that Dyn Corp International completely disregard my safety ~~and~~ and wellbeing.

Mr Soto has not even apologized for the incident. That concerns me. What state of mind will ~~be~~ **be** in.

My contention is with Dyn Corp International for disregarding my safety under the UMCS and MEJA. I want to press charges against Dyn Corp International. **///End of statement///**

ATTACHMENT TO COMPLAINT FORM (EEOC)

SUMMARY OF EVENTS

I was hired by DynCorp International LLC. on September 2006 at 13500 Heritage PKWY, FORTH WORTH, TX 76177.

DynCorp International LLC., staff and employees violated Title VII of the Civi Right Act of 1964 (Title VII). It is illegal to retaliate against a person because the person complained about discrimination.

DynCorp Internation LLC violated other laws as well.. Military Extraterritorial Jurisdiction Act, 18 U.S.C., breach of trust, federal laws, state laws, negligence and penal codes.

My contract was not supose to end until April 1, 2009.

On 5 August 2008, (Tuesday), around 4:35am in the hallway of building 200 A. While I was bent down at my locker Mr. Mario Soto was standing behind me speaking and laughing with Mr. Richard Shulkus. I looked up and saw Mr. Soto load his magazine into his M/16 weapon while it was pointed directly at my head. Mr. Mario Soto hit the release button and it snapped. I was in a state of shock. I feared for my life. I stood still. At that point and time, I didn't know if he had shot the weapon or he had chambered a round while pointed directly at my head. Mr. Soto was looking at me and still laughing.

I did shove Mr. Soto out of self defense and in fear of my life for having a loaded dangerous M/16 weapon pointed directly at my head.

I told Mr. Bruce Nappi (Lead Guard) to disarm Mr. Mario Soto.

I was horrified, I was in immediate and imminent danger.

I reported the incident that morning. The meeting did not commence until 1345.

Myself, Mr. Gregory West (Deputy Program Manager), Mr. Bruce Nappi (Lead Guard) and for about 15 to 20 minutes Mr. Clarence Moore (Assistant Operations Manager), Mr. Mario Soto.

Mr. West advised it was a terminal offense. Mr. Nappi and Mr. Moore agreed.

Mr. Mario Soto admitted in the meeting he pointed a loaded gun at me while I was at my locker. *Paul Nantz vs. State of Indiana, 2001 Ind. App. 740 N.E. 2d 1276, MEJA, 18 U.S.C.*

Mr. West advised it is a terminal offense but he was not going to terminate Mr. Soto because people are going to quit once Dyncorp start cutting the guards by an hour a day people are going to start poppin like smoke. And he did not want to look at safety issues as a violation nor from the Military stand point.

Mr. Nappi and myself advised Mr. West that Mr. Soto was kicked out of the arms room by LTC Moyse. Mr. Soto has a domestic violence charge on his DD214. Mr. Mario Soto had displayed anger. Mr. Mario Soto did verbally admit he loaded his wepon while pointed at my head.

Mr. Mario Soto and staff neglected to safeguard my safety. The company allowed Mr Soto and staff to disregard 'Zero Tolerance Policies', Code of Ethics and Business Conduct and Compliance with the law. *Harper v. City of East Point, 237 Ga, App. 375, 515 S.E. 2d 629 (1999). Paul Nantz vs. State of Indiana, 2001 Ind. App. 740 N.E. 2d 1276, MEJA, 18 U.S.C.*

On 10 August 2008, I was told to turn in my passport requested by Ms. Heather Taylor (Human Resource Dept Personal). As I was going to guard mount Ms. Tamra Vaughan (Guard) advised me that Mr. West told her he did not want to hire anymore black women for the lead guard position(s).

On 13 August 2008, I filled a complaint with the Military and signed a Sworn Statement.. The Military stated it was a violation of safety with a dangerous weapon..

On 16 August 2008, Mr. Natividad Gonzalez (Program Manager) had a meeting with DynCorp International guard force to confirm DynCorp was going to cut use an hour a day. After the meeting I spoke to Mr. Gonzalez in the strictness of confidence about how black african

american woman are being discriminated against for future lead guard position. I advised him that Mr. West did not want anymore black women in the lead guards position. And how he wanted most Caucasian women to be in the lead positions. Mr. Gonzalez advised anybody can go out for the lead guard position as long as they do not have any disciplinary actions. I advised it is known we will not be considered. Then Mr. Gonzalez advised, he really didn't want to discuss this because he did not want me to hold it against him.

After 19 August 2008, prior speaking to Mr. Gonzalez knowing that I am an alternate lead guard. Since I reported the gun incident about Mr. Soto pointing a loaded dangerous weapon gun M/16 at my head and filing a complaint. I was not scheduled or assigned to work as a lead guard anymore. There were still 3 lead guard positions open.

I still went to apply. I was told by Mr. West that the position wont, reopen until next week.

On 21 August 2008, I was off.

On 22 August 2008, Mr. Mario Soto started taunting me with his M/16 weapon by pushing his release button and making it charge forward when I walk by him in the hallway and laughing. I was afraid and scared for my safety. I reported the incident to Security Administrator.

On 25 August 2008, I was told I had to move to another team. It was not by choice.

On 25 August 2008, I wrote Mr. West a detailed email displaying and conveying my concerns. I had advised I was the victim then and why was I being victimized for following safety procedures, regulations, policies and the safety of others and the laws we are governed by.

On 25 August 2008, I email the DynCorp International HOTELINE about the gun incident.

On 25 September 2008, I was constructively discharged. Do to Ms. Taylor not renewing my work visa. And I was afraid for my life with all the adverse treatment. My work visa was about to expire in two weeks.

Then Ms. Taylor asked, for my passport again so she can cancel my visa A.S.A.P. and that I am to leave immediately.

On 29 August 2008, Mr. Alford James shot of his weapon in the Tower.

On 31 August 2008, I sent another email to the DynCorp International HOTELINE informing them. That there had been another safety incident dealing with another dangerous weapon. I didn't want the situation that happen to me to be an isolated incident. Being threaten and having my life in danger by a loaded weapon pointed directly at my head. By Mr. Soto.

I had already started receiving adverse treatment from Mr. West and Ms. Taylor.

M.s Heather Taylor retaliated against me. She was refusing to renew my work visa and give me back my passport. If Ms. Taylor does not renew my work visa I can not work on the contract. In order to work on the DynCorp contract it states in our contract we have to have a work visa. If we can not get a work visa we must leave immediatly.

On 1 September 2008, I filled a complaint about Ms. Taylor not giving me my passport to my shift supervisor.

On 2 September 2008, Ms. Taylor had me come to her office to pick up my passport and advised she still had not renewed my work visa amd she was not trying to keep my passport from me. I advised, Ms. Taylor you have had my passport for over 3 weeks and I don't understand. Then Ms. Taylor proceeded to ask me question about an ex employee Chris Dupont (Guard). She made a comment that she heard that we were real close. I advised everyone likes him. *White v. Burlington N.2 Sante Fe Ry. Co., 321 F. 3d 1203, 2003 U.S App. Lexis 2469 (6th Cir., 2003).*

The way Ms.Taylor, Mr. Gonzalez and employees treated Mr. Dupont was criminally unethical. Mr Dupont was one of the many employees that was in the news papers crying out for help in 2007.

Chris Dupont helped the Government retrieve allot of money from DynCorp International LLC for fraud and many other things.

Ms. Taylor knows it only takes 3 to 5 days to get a work visa. She was forcing me out. That is a breach of contract and trust and several laws.

On 3 September 2008, Ms. Taylor had me come to her office to investigate the incidents. Which she displayed she did not care she was completely bias. She stated that charges could be brought against me for my actions. I asked her to give it to me in writing. She later then stated it was not founded.

Ms. Taylor advised me of a conversation I had with Mr. Gonzalez in the strictness of confidence. About how Mr. West would not allow me and some other black woman to apply for the Lead Guard position.. I told Ms. Taylor he did not ask me. Ms Taylor angerly says he said he asked you and you make 3 black women.

Then Ms. Taylor advised I will hear a response within 2 to 5 days. I received an email from the hotline on September 11, 2008. Stating the investigation was CLOSED.

Ms. Taylor's behavior and comments were very aggressive, discriminatory, rude, retaliatory and reckless. *White v. Burlington N. & Sante Fe Ry. Co.*, 321 F. 3d 1203, 2003 U.S App. Lexis 2469 (6th Cir., 2003).

Ms. Taylor would not allow me to give her my resume. She advised I have to give it to my Shift Supervisor. That is not how we apply for any position. It has to go through the Human Resource Dept.

I went to apply again for the position I was told I had to be recommended by my Shift Supervisor. I never heard of such a thing.

On 28 September 2008, out of respect to Mr. George F Close (Vice President). I sent him an email of everything that was going on and the adverse treatment I was receiving from the staff and employees. I explained to him how I followed all policies, procedures, regulations.

On Mr. Close's last visit he gave me his card and advised that if there was anything going on that might jeopardize the contract or the company and people's safety to let him know. Especially if nothing was being done about it. If I could not get in touch with him to call the hotline.

Mr. Alford James (black male) was terminated for his weapon violation and the safety of others. Ms. Tamra Vaughan was terminated for weapons violation and the safety of others and her weapon was not loaded or on her person.

But Mr. Mario Soto got favorable treatment for pointing a loaded weapon directly at my head putting me in direct, immediate, imminent, danger of a dangerous weapon. I was afraid for my life. What he did was a criminal, negligent act against me. Mr. Mario Soto broke the law that was enforced by the Secretary of Defense. All weapons should be loaded and unloaded at the clearing barrel.. *Harper v. City of East Point*, 237 Ga. App. 375, 515 S.E. 2d 629 (1999). *Paul Nantz vs. State of Indiana*, 2001 Ind. App. 740 N.E. 2d 1276.

On 7 October 2008, Mr. Budaharri (Assistant Human Resource Personnel) advised that some woman tried to cancel my work visa in August. The only person who had my passport was Ms. Heather Taylor.
