Response to Defendant's Answer.

Now comes Plaintiff and states as follow:

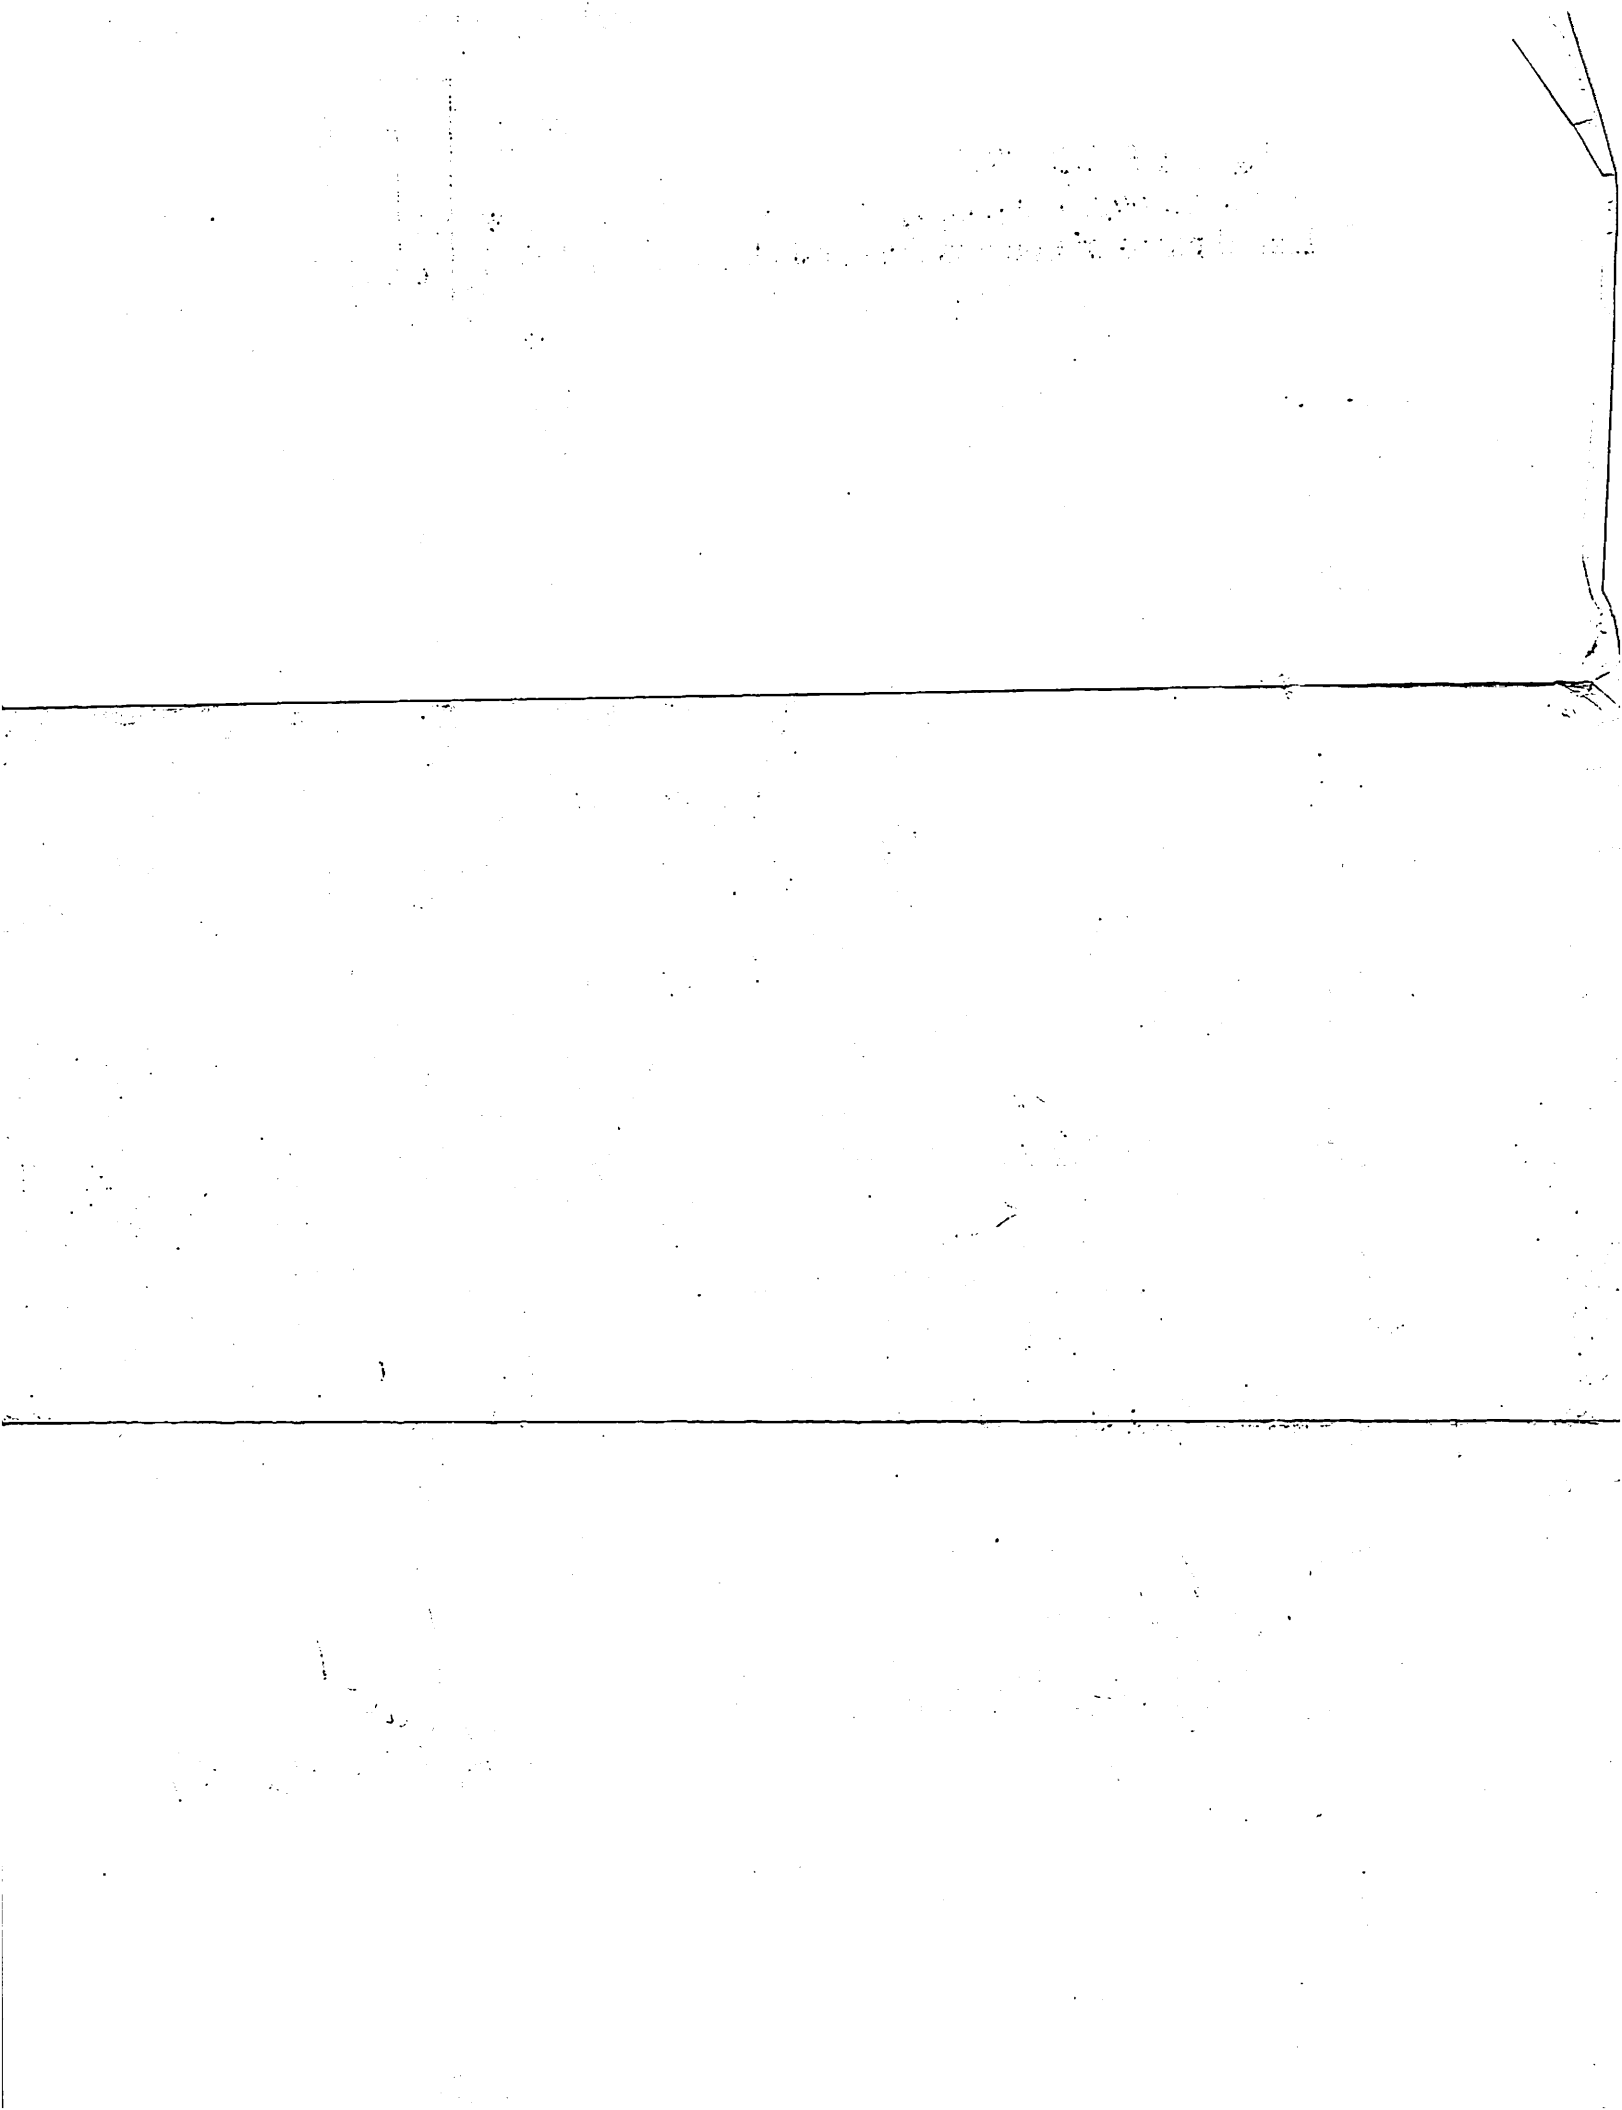

- 1) That the defendant answered this complaint on 9-12-17 with a standard denial; in that there was no affidavit supporting defendant's denial and counsel provided not *one* case citation in support of his conclusions that plaintiff has not stated a claim for relief.
- 2) Plaintiff reasserts that defendant as a state employee may not utilize official state action in an unlawful manner in retaliation for plaintiff exercising his rights to the grievance mechanism and that this is *clearly established law in the commonwealth of Virginia and in U.S. Supreme Court law.*
- 3) Defendant's answer demonstrates nothing but a genuine issue of material fact to be resolved by trial.

Respectfully Submitted,
