

UNITED STATES DISTRICT COURT  
EASTERN DISTRICT OF VIRGINIA  
NORFOLK DIVISION

I/P ENGINE, INC.

Plaintiff,

v.

AOL, INC., *et al.*,

Defendants.

Civil Action No. 2:11-cv-512

**AGREED DISMISSAL ORDER AS TO CERTAIN CLAIMS**

THIS MATTER COMES to the Court on the stipulation of Counsel for Plaintiff I/P Engine, Inc. ("I/P Engine") and Counsel for Defendants Google Inc. and IAC Search and Media, Inc. (collectively "Defendants") that:

1. I/P Engine and Defendants agree to dismiss with prejudice the patent infringement claims as to Google Search and IAC's Ask Sponsored Listings. For the avoidance of doubt, the patent infringement claims being dismissed explicitly exclude, and I/P Engine explicitly reserves and retains all rights and remedies with respect to, any and all other claims asserted in the present litigation including, without limitation, the patent infringement claims as to Google AdWords, Google AdSense for Search, Google AdSense for Mobile Search and AOL's Search Marketplace.

2. Defendants agree to withdraw their July 13, 2012 Motion for Sanctions (D.I. 189), without prejudice and without waiving the right to renew the motion in the future. Specifically, the parties agree that Defendants reserve their right to seek fees and costs relating to I/P Engine's assertion of claims against Google Search and Ask Sponsored Listings.

UPON CONSIDERATION THEREOF, and finding the stipulation acceptable, it is hereby ORDERED that (1) the patent infringement claims in this case as to Google Search and IAC's Ask Sponsored Listings are dismissed with prejudice; and (2) the Motion for Sanctions (D.I. 189) is withdrawn without prejudice to the right to renew the motion in the future.

ENTERED this 6<sup>th</sup> day of August 2012:

  
Raymond A. Jackson  
United States District Judge

Honorable Raymond A. Jackson
