Re: I/P Engine, Inc. v. AOL, Inc. et al.

Dear Charles:

In I/P Engine's August 8, 2012 Initial Disclosures, Plaintiff states that "I/P Engine may also seek increased damages based on defendants' willful infringement of the patents-in-suit." Plaintiff, however, did not plead a cause of action for willfulness in its complaint. Nor could Plaintiff assert in good faith a claim of willfulness against any of the Defendants under applicable law. Please confirm by August 13, 2012 that Plaintiff is not pursuing a claim for willfulness.

Very truly yours,

Margaret P. Kammerud
