Subject: RE: I/P Engine v. AOL et al. Supplemental Interrogatory No. 15

Sarah,

Please review the Court's opinion in the ActiveVideo case relating to this issue. That decision makes clear that I/P Engine is entitled to supplemental damages. Accordingly, we renew our request for an accounting as set forth in my previous email.

If Defendants continue to refuse to provide the supplemental information, please let me know when you are available to meet and confer on this issue tomorrow.

Regards,
