Counsel,

On Tuesday's meet and confer we would like to discuss the briefing schedule for Post-Judgment royalties.

Initially, as before, we request that Plaintiff provide dates for deposition of Dr. Becker, which we will need at least 5 days before our opposition is due.

Further, Google will be launching a change in the operation of AdWords that would remove the functionality that Plaintiff has pointed to for infringement of the filtering step, and would not infringe under Plaintiff's theories. In an effort to provide meaningful confirmation and to avoid wasteful, additional motion practice, we are willing, in good faith, to provide limited discovery into this functionality. We suggest meeting and conferring on how to proceed and a schedule for doing so.

Because of travel schedules, Google would like to conduct the meet and confer on Tuesday, April 9 at 2:30 pm PT / 5:30 pm ET. Please let us know you are available, and we will circulate a dial-in number.

Best,
Meg

Emily,

While I/P Engine cannot blanket agree to staying the execution of its upheld judgment in this case pending final resolution of all appeals, I/P Engine is willing to discuss the stay issue for purposes of the pending appeal. I/P Engine would also like to discuss resolution of the ongoing royalties issue in light of Judge Jackson's rulings. Because of scheduling, I/P Engine proposes conducting the meet and confer on Tuesday, April 9 at 2 PM ET.
