Motion to Dismiss

I Ronald Cook, a citizen of the Commonwealth of Virginia, am asking the United States District Court for the Eastern District of Virginia to Dismiss the above styled Complaint. The Complaint is frivolous and without merit and, is a waste of the courts time and resources. The plaintiff ('s) in this Complaint are running for president of the United States of America for God's sake, but are behaving like spoiled brats. The rules of the State of Virginia for anyone running for office are simple, and have been abided by other candidates for years and, do not discriminate against anyone running for office. All the person has to do is go by what the rules say. I am asking for the court to Dismiss With Prejudice, and to order the Plaintiff ('s) to pay for all costs associated with the Complaint back to the Defendants and to the State of Virginia.
