Re: response to notice to appear order for MJ( unrepresented) on 10 31, 2012 by 2pm MJ TW AJ

v

Hanover County Public Schools, OTBA, Others announced 10/31/2012 (Halloween)

We have no Appearance- requesting court appointed counsel , my assistance in this civil action/appeal is exacerbating family illnesses/disabilities and causing financial hardship.

Melody Joyner (SPOA for TW, )custody of TW, AJ- all unrepresented and waiting for attorneys to appear- court to appoint council) . Plaintiffs TW, AJ, MJ, appear only to receive service/be served with any information related to case (we will not use Pacer to get information/orders/etc [504 accommodations- can't understand how to use Pacer]).

Plaintiffs don't give security cost(not sure what means but we do not want any financial obligation, nor do we secure any for our civil actions), but will accept orders/financial awards in our favor please serve to us (504 accommodations) decisions to collect/ in our favor. plaintiffs address : 7968 Dominion Park Drive Mechanicsville, VA 23111

We do not consider ourselves (NOT) a Pro se litigant – we are unrepresented (however MJ filed complaint, summons, exhibits, etc, with requesting unlimited extended time(504), send out subpoena, subpoena duces tecum, send out complaint and summons, exhibits, provided clerk with copy of complaint and summons to serve on most defendants/if they don't receive. Plaintiffs request a method of payment to send out by FedEx – MJ has not received from attorneys/court. Va department of education(some one called me on phone identifying themselves as Ron Geichman(spelling) told me to file a motion for injunction, which I (MJ did for TW)did with USDC EDV- Good Cause do not hold errors against plaintiffs trying to access court system for justice). TW still not in college under IPE or IEP

I am assuming that this order of notice is for me to respond only, not summons to appear – I did not receive a summons (we are unrepresented).

I will provide a list of all that I have served complaint and summons ASAP so the court does not duplicate.

If I am to appear in person please provide 504 accommodations due to disabilities and contact me by phone at 804-559-0000, I request counsel, no attorney has contacted us to appear( I have provided counsel of record to clerks office). Fax to USDC EDV 1pm 916-2216

Sincerely,   
Melody Joyner
