Civil Action No. 3:16CV212-HEH

MEMORANDUM OPINION
(Dismissing Action Without Prejudice)

Plaintiff, a Virginia inmate proceeding *pro se* and *in forma pauperis*, filed this 42 U.S.C. § 1983 action. In order to state a viable claim under 42 U.S.C. § 1983, a plaintiff must allege that a person acting under color of state law deprived him or her of a constitutional right or of a right conferred by a law of the United States. *See Dowe v. Total Action Against Poverty in Roanoke Valley*, 145 F.3d 653, 658 (4th Cir. 1998) (citing 42 U.S.C. § 1983). In his current complaint, Plaintiff fails to provide each defendant with fair notice of the facts and legal basis upon which his or her liability rests. Accordingly, by Memorandum Order entered on October 13, 2016, the Court directed Plaintiff to submit a particularized complaint within fourteen (14) days of the date of entry thereof. The Court warned Plaintiff that the failure to submit the particularized complaint would result in the dismissal of the action.

Instead of filing a particularized complaint, Plaintiff filed a Response explaining that he needed the Court to appoint him counsel. By Memorandum Order entered on

November 16, 2016, the Court denied Plaintiff's request for counsel and informed Plaintiff that he had eleven (11) days from the date of entry thereof to comply with the directives of the October 13, 2016 Memorandum Order. More than eleven (11) days have elapsed since the entry of the November 16, 2016 Memorandum Order. Plaintiff failed to submit a particularized complaint or otherwise respond to the November 16, 2016 Memorandum Order. Accordingly, the action will be dismissed without prejudice.

An appropriate order will accompany this Memorandum Opinion.

Date: Dec 22, 2016
