Case No. 1:19CV 15

OPINION AND ORDER

William Lee Grant II, Springfield, Virginia, Pro Se Plaintiff.

The plaintiff has submitted applications to proceed in forma pauperis in order to file three separate civil actions. I will grant the applications but dismiss the complaints sua sponte as frivolous under 28 U.S.C. § 1915(e)(2)(B).

While I must consider pro se filings liberally, the present complaints state no recognizable causes of action and instead “describ[e] fantastic or delusional scenarios, claims with which federal district judges are all too familiar.” *Neitzke v. Williams*, 490 U.S. 319, 328 (1989). To quote one recent federal court decision: “Plaintiff is a serial filer of frivolous litigation in various federal courts across the country, . . . the vast majority of [P]laintiff’s cases [of which the Court is aware] have been dismissed as frivolous under 28 U.S.C. § 1915(e).” *Grant v. U.S. Dep’t of Transp.*, No. 4:18-CV-00444-ALM-CAN, 2019 WL 1009408, at *1 (E.D. Tex. Jan. 28, 2019), *R. & R. adopted*, No. 4:18-CV-444, 2019 WL 1003641 (E.D. Tex. Mar. 1, 2019) (quoting *Grant v. U.S. Dep’t of Transp.*, No. 1:18-cv-00457-TSE-TCB (E.D. Va. May 1, 2018), *appeal dismissed as frivolous*, *Grant v. U.S. Dep’t of Transp.*, 740 F. App’x 333 (4th Cir. 2018) (unpublished).

Accordingly, it is **ORDERED** that the motions to proceed in forma pauperis are **GRANTED**, and the Complaints are **DISMISSED**.

The Clerk shall close the cases.
