Defendants.)	

The plaintiff seeks to file anonymously a civil action without prepayment of fees and costs. In the proposed Complaint, the plaintiff purports to assert a pro se class action claim for racial discrimination and recover over \$2 billion in damages. The proposed Complaint is devoid of proper allegations and is clearly frivolous. While I will grant the application to proceed in forma pauperis, I will summarily dismiss the action pursuant to 28 U.S.C. § 1915(e)(2)(B).¹

It is **ORDERED** that the Application to Proceed in District Court Without Prepaying Fees and Costs is **GRANTED**. A separate Final Order will be entered herewith dismissing the action.

Senior United States District Judge

¹ Moreover, a pro se plaintiff may not maintain a class action and there are no proper grounds shown for proceeding anonymously.
