Civil Action No. 5:06-cv-00021

MEMORANDUM OPINION

By: Samuel G. Wilson
United States District Judge

Plaintiff Adrian Burl Carter, proceeding pro se, brings this action against the Virginia Department of Social Services (DSS), claiming, among other things, that DSS drugs children and places them in mental institutions. Carter seeks to proceed in forma pauperis (IFP). Carter previously brought an action against DSS, making essentially the same allegations, and the court granted Carter IFP status but dismissed the action sua sponte as frivolous. See 28 U.S.C. § 1915(e)(2)(B) (stating that a court may "at any time" dismiss an in forma pauperis claim if the action "is frivolous or malicious"). For the reasons stated in the court's prior opinion, the court dismisses Carter's claims without prejudice and finds that all other pending motions are moot.
