You know you earned your Education degree at  when...

- ...You use the Hokie® Bird in all your word problems.
- ...You scout your kindergartners for future Tech football players.
- ...You only wear orange and maroon on casual Fridays.
- ...You don't assign homework for game weekends.
- ...You spend the most amount of time teaching the letters V and T.
- ...You make Hokie® Bird crafts instead of Turkeys at Thanksgiving.
- ...You refuse to eat in the cafeteria because you're used to West End.
- ...You want to take a field trip to the duck pond just because.
- ...You think Hokie® Stone is the only rock worth teaching in your science lessons.
- ...You start wearing layers in September no matter what part of the country you live in.
