

**IN THE UNITED STATES DISTRICT COURT  
FOR THE WESTERN DISTRICT OF VIRGINIA  
ROANOKE DIVISION**

<b>BRANDON JAMES CLARK,</b>	)	<b>Civil Action No. 7:14-cv-00042</b>
<b>Petitioner,</b>	)	
	)	<b>MEMORANDUM OPINION</b>
<b>v.</b>	)	
	)	<b>By: Hon. Michael F. Urbanski</b>
<b>HAROLD CLARKE,</b>	)	<b>United States District Judge</b>
<b>Respondent.</b>	)	

Brandon James Clark, a Virginia inmate proceeding pro se, filed a petition for writ of habeas corpus, pursuant to 28 U.S.C. § 2254. Petitioner challenges the validity of his confinement pursuant to the 2007 judgment of the Circuit Court of Washington County. After reviewing the petition, the court finds that it should be dismissed summarily pursuant to Rule 4 of the Rules Governing § 2254 Cases.<sup>1</sup>

A federal court may not grant a § 2254 habeas petition unless the petitioner exhausted the remedies available in the courts of the state in which petitioner was convicted. 28 U.S.C. § 2254(b); Preiser v. Rodriguez, 411 U.S. 475 (1973); Slayton v. Smith, 404 U.S. 53 (1971). The exhaustion requirement is satisfied by seeking review of the claim in the highest state court with jurisdiction to consider the claim. O’Sullivan v. Boerckel, 526 U.S. 838 (1999). In Virginia, a non-death row convict can exhaust state remedies in one of three ways, depending on the nature of the claims raised. First, the convict can file a direct appeal to the Virginia Court of Appeals with a subsequent appeal to the Supreme Court of Virginia if the Court of Appeals rules against the convict. VA. CODE § 17.1-411. Second, the convict can attack the conviction collaterally by filing a state habeas petition with the circuit court where the convict was convicted and appealing an adverse decision to the Supreme Court of Virginia. Id. § 8.01-

---

<sup>1</sup> A petition may be dismissed pursuant to Rule 4 if it is clear from the petition that a petitioner is not entitled to relief.

654(A)(1); Va. Sup. Ct. R. 5:9(a). Finally, the convict can exhaust remedies by filing a state habeas petition directly with the Supreme Court of Virginia. VA. CODE § 8.01-654(A)(1). Whichever route is taken, the convict ultimately must present the claims to the Supreme Court of Virginia and receive a ruling from that court before a federal district court can consider the claims. A federal habeas petitioner has not exhausted state remedies if the petitioner has the right under state law to raise the question presented by any available procedure and fails to do so. 28 U.S.C. § 2254(c).

The petition clearly shows that Petitioner has not presented claims to the Supreme Court of Virginia.<sup>2</sup> Petitioner's failure to exhaust state remedies mandates summary dismissal of the petition.<sup>3</sup> Based upon the finding that Petitioner has not made the requisite substantial showing of denial of a constitutional right as required by 28 U.S.C. § 2253(c), a certificate of appealability is denied.

---

<sup>2</sup> Petitioner acknowledges in the petition that he has not presented the sole claim of ineffective assistance of counsel to the Supreme Court of Virginia via a state habeas corpus petition. See Sigmon v. Director of the Department of Corrections, 285 Va. 526, 533, 739 S.E.2d 905, 908 (2013) (“Claims of ineffective assistance of counsel are not reviewable on direct appeal and thus can be raised only in a habeas corpus proceeding.”).

<sup>3</sup> Petitioner may refile his federal habeas petition if he unsuccessfully presents the claims to the Supreme Court of Virginia. Petitioner is advised, however, that his time to file a federal habeas petition is limited. See 28 U.S.C. § 2244(d).
