United States District Judge

Frankie Jae Lordmaster, a Virginia inmate proceeding pro se, commenced this action pursuant to 42 U.S.C. § 1983 and requested leave to proceed in forma pauperis. On September 30, 2015, the court conditionally filed the action and ordered Plaintiff to properly document his in forma pauperis application, pursuant to 28 U.S.C. § 1915(a), within ten days. By Memorandum Opinion and Order entered on December 1, 2015, the court dismissed the action without prejudice because Plaintiff failed to file the necessary financial information. Presently before the court is Plaintiff's motion for reconsideration, which documents his attempts to comply with the order. Finding it appropriate to do so, the motion for reconsideration is **GRANTED**, the Memorandum Opinion and Order entered on December 1, 2015, are **VACATED**, and this action **SHALL** be returned to the court's active docket. The Clerk shall send Plaintiff a copy of the order entered on September 30, 2015, and Plaintiff must comply with the order entered on September 30, 2015, within twenty days from this Order's entry.

It is so **ORDERED**.

ENTER: This 29<sup>th</sup> day of April, 2016.
