Third-Party Plaintiffs,

Case No.: CV-04-5125-FVS

SUPPLEMENTAL
DECLARATION IN SUPPORT OF
THIRD PARTY DEFENDANT'S
MOTION FOR TEMPORARY
INJUNCTION

v.
Bonnie F. Gordon, Third-Party
Defendant
TO: Clerk of the Court
AND TO: Floyd E. Ivey, Attorney for Third-Party Plaintiff
AND TO: Peter J. Glantz and Sean A. Moynihan

Introduction

1
2 On or about March 27, 2006, I filed a Motion for Injunction
3 against Impulse Marketing Group, Inc. The enclosed declaration of that
4 document cited recent email sent by Impulse to me.
5

6 This supplement to that declaration is prompted by the discovery
7 of a scheme and **new emails** by Impulse and its affiliates to continue to
8 harass and annoy me. However, this time the apparent offending entity
9 (ies are) is entitled Heritage Prepaid Mastercard and Nationwide
10 Platinum Card, one of its marketing partners
11

Declaration

12 I, Bonnie F. Gordon, declare the following:

- 13 1) I am a named third party defendant in the above captioned
14 lawsuit. I am over the age of 18 and am otherwise competent to
15 testify.
- 16 2) The company which appears to own the credit product offerings
17 is Internet Website Hosting of NV, LLC. **Exhibit 1**
- 18 3) The listed officer/manager of this company according to Nevada
19 Secretary of State, Dean Heller's web site is Mr. Steve Wadley.
20 **Exhibit 2**
- 21 4) Mr. Wadley, coincidentally, is the president of Impulse
22 Marketing Group, Inc. of Atlanta, GA, the third party plaintiff
23 in the above captioned case. **Exhibit 3**
- 24 5) Impulse has used 100s of domains and over a thousand aliases
25 in an attempt to obfuscate its identity. These ruses enable it to

1 perpetually spam an individual as the company that is being
2 shut down by regulators hands the spam "baton" to the next
3 company or companies. By calling these companies marketing
4 partners, Impulse believes it confers the right to spam its list of
5 so-called customers and members without end. As one company
6 or entity is shut down another is primed and ready to go.

7 6) I also believe that Impulse is using a massive pornography
8 operation to which it is allied to and/or has an ownership
9 interest in, Nationalnet of Atlanta, GA to send pornographic
10 spam to me. **Exhibit 4**

11 7) The document which shows the co-habitation of Cyberspace
12 between Impulse and Nationalnet is the ARIN Whois look-up
13 database wherein all U.S. organizations and individuals with
14 domain names are listed. **Exhibit 5**

15
16 **THEREFORE**, third party defendant moves this Court to issue an
17 order for a permanent injunction against Impulse Marketing Group,
18 Inc. (a Nevada corporation) doing business in the State of Georgia and
19 **all** its marketing partners, past, present and future.

20 Specifically, the undersigned asks this Court to enjoin Impulse
21 and its agents, employees, directors, owners, contractors, and all others
22 acting on behalf of Impulse from sending email to me and to enjoin
23 Impulse from sending its email to all Washington State residents until
24 this lawsuit has been adjudicated. Impulse and its marketing partners
25 are engaged in reckless and perhaps criminal behaviors that are
anathema to the "public trust". Impulse's support of a massive

1 pornography operation, which may or not be legal, is an imminent
2 threat to the youth of this state (and nation).

3 I declare under penalty of perjury under the laws of the United
4 States that the foregoing is true and correct.

EXECUTED this 12th day of May, 2006.

11 Certificate of Service

12 I, hereby, certify that on May 12, 2006, I filed this motion with this
13 Court. I have served Bob Siegel, Peter J. Glantz, Sean A. Moynihan,
14 Floyd E. Ivey, Jamila Gordon, James Gordon III, Jonathan Gordon,

NationalNet Expands Web-Hosting Facility

By Rhett Pardon Monday, November 15, 2004

XBIZ NEWS

ATLANTA — One of the largest adult web hosting companies announced Monday it has tripled its office space as it acquired new facilities in downtown Atlanta.

NationalNet Inc.'s acquisition of the former Genuity Data Center brings its total to more than 15,000 square feet of built-out data center space.

"With 95 percent of our customers in the adult business, we've seen dramatic changes," NationalNet president Tony Morgan told XBiz. "[Bandwidth] price is decreasing and consumption is skyrocketing."

Morgan noted that the 7-year-old company has more than 1,000 online adult customers — small- and large-scale companies — and said the company's growth, coupled with aggressive sales goals, fueled the expansion.

"This single transaction propels NationalNet to a level shared with very few hosting companies and dominated by the large carriers," Morgan said. "[2005] is shaping up to be the largest growth year on record for NationalNet."

The facility has more than 10,000 square feet of space for server racks, plus dual AC/DC power plants designed to generate enough power to handle most large neighborhoods, said Morgan, who noted he will speak at a seminar at the Webmaster Access show in Santa Monica, Calif., later this week.
