Motion for Reconsideration on this courts June 21st, 2009
order denying my motion for leave to Appeal in Forma Pauperis

Jonathan Lee Riches, moves ~~for~~ ^{for} Reconsideration, En Banc this courts June 21, 2009
order. You Notice I hand written this, I'm in a large Dormitory on the hospital wing
at the Federal medical center, Lexington Kentucky. it's 3:00 AM, Hillary Clinton can call
me with the codes for suit case nukes, I'm surround by convicted child molesters which
I sued, Riches v. convicted child molesters (case no: 09-cv-00093-J) (D. of Wyoming)
I'm not the Patrick Ewing of suing, I'm the J.R. Ewing of ~~suing~~ ^{suing}. The Neal Bortz of
appeal courts, the Legal DR. Eul, Jester the court molester, Kook of lawsuits,
Johnny Depp of Identity theft, The Matt Damon of Tax Havens, look at these cases.
Riches v. Swine Flu, Riches v. Jenna 6, Riches v. Star Trek, Riches v. The Terminator,
Riches v. Blagojevich, Riches v. 202-456-1414, Riches v. Kobe Bryant,
I intervened in the Enron Securities litigation, Refco, Hamdan v. Rumsfeld,
I filed a recent motion in U.S. v. Causey, U.S. v. Skilling for return of property, I
filed a notice of Appearance in U.S. v. Donaghy (Former NBA ref), look at my Intervention
in Lemond v. Trek Bicycles case, I just sued Carmello Anthony in Denver state District
court, look at ~~was~~ Riches v. Holyland Foundation, I intervened in the countrywide
security litigation case (C.D. of California). In order for me to maintain the King of
lawsuits status, I will continue to sue Everyone and Everything in Every local, state,
Federal, and world courts, If one court Bars me, I will move to another one, I
cannot be stopped, and I'm protected by the 1st amendment, If I see Anything
that offends me, I will sue, Peggy sue should marry me! The local Spokane
Newspaper did a great Article on me, which major news Agencies covered.

In this case, I get thousands of fan mail, probably more than Scott Peterson, who I sued also. Riches v. Peterson (N.D. California), I'm also going to sue Judge Quackenbush in this case for violating my due process to the courts, so continue to blog my name, check Justia.com with my name daily or put in "cases tagged with Jonathan Lee Riches" for up to date lawsuits world wide, In the mean time I move for reconsideration, I'm poor and can't afford to pay the filing fee, if someone could be so kind out there and be a financial financier to me and pay my filing fees, I need help, I will sue anyone for any reason, just get in contact with me, no one can hide from their crimes, Federal prison is unconstitutional, though I enjoy my days writing suits, running in the rec yard, free clothes, no work, good medication, 3 or 4 square meals a day, the funny thing is, if Judge Melinda Harmon from my criminal case #14-03-90-2 in Houston would of gave me 5 years, like I was suppose to, instead of 10 years, I would of been home 3 + years ago and I would of never filed a suit, Now filing lawsuits is so easy even a caveman can do it, Now, I got inmates here filing lawsuits like mine all over, I'm being subsidized by the Federal Government who pays my Postal to send lawsuits, thank you, God Bless,

These are the reasons I seek reconsideration on this courts June 21, 2009 order, The Guinness book of world record should give my co-defendant Jason Michael Carpenter a award for being the worlds biggest put o

I pray this court will grant my motion for relief,

respectfully,

6-26-09
