Defendants.

Federal Rule of Civil Procedure 4(m) provides that a complaint must be
served upon a defendant within 120 days of filing. Rule 4(m) also governs the

1 procedure that a district court must follow in the event that service is not
2 completed within 120 days:

3 If a defendant is not served within 120 days after the complaint is filed, the
4 court—on motion or on its own after notice to the plaintiff—must dismiss
5 the action without prejudice against that defendant or order that service be
made within a specified time. But if the plaintiff shows good cause for the
failure, the court must extend the time for service for an appropriate period.

6 Fed. R. Civ. P. 4(m).

7 Plaintiff filed a Complaint in this case on February 14, 2014. ECF No. 1.
8 Summonses were issued to all Defendants (ECF No. 2); however, there has been
9 no further activity in this case. On September 9, 2014, the Court issued an Order
10 for Plaintiff to show cause as to why this matter should not be dismissed. ECF No.
11 3. Plaintiff has submitted no response to the Court's Order to Show Cause and has
12 not shown that Defendants were served within 120 days of the filing of the
13 Complaint.

14 **ACCORDINGLY, IT IS HEREBY ORDERED:**

16 prejudice. The District Court Executive is hereby directed to enter this Order,
