11 NATIONAL 911 SYSTEM, et al.,  
12

13 Defendants.  
14

NO. 2:16-CV-00279-JLQ

ORDER RE: REPORT AND  
RECOMMENDATION AND  
CLOSING FILE

15 BEFORE THE COURT is the Report and Recommendation (ECF No. 5, "Report")  
16 of Magistrate Judge Rodgers. On September 6, 2016, Magistrate Judge Rodgers issued  
17 the Report recommending closing the file of this matter because Plaintiff failed to  
18 respond to Magistrate Judge Rodgers' Order Denying Application to Proceed *In Forma*  
19 *Pauperis* (ECF No. 3). Plaintiff did not file an objection to the Report.

20 On August 1, 2016, Plaintiff submitted his Complaint (ECF No. 2) and an  
21 application to proceed *in forma pauperis* (ECF No. 1). On August 2, 2016, Magistrate  
22 Judge Rodgers issued an Order Denying Plaintiff's application to proceed *in forma*  
23 *pauperis* because Plaintiff put inconsistent information in his application. (ECF No. 3).  
24 Specifically, Plaintiff reported monthly wages in response to Question No. 2, but also  
25 stated he is not currently employed, and Plaintiff did not provide the required details on  
26 each other lawsuit listed in response to Question No. 9. (ECF No. 1); (ECF No. 3).  
27 Plaintiff was directed, within 30 days, to: (1) pay the full filing fee; (2) show cause why  
28 prepayment would be inappropriate; or (3) submit a properly completed application to

1 proceed *in forma pauperis*. (ECF No. 3). To date, Plaintiff has not taken any of the three  
2 actions identified above.

3         When a magistrate judge issues a report and recommendation, the district court  
4 “may accept, reject, or modify, in whole or in part, the findings or recommendations  
5 made by the magistrate judge.” 28 U.S.C. § 636(b)(1). The district court “shall make a de  
6 novo determination of those portions of the report ... or recommendations to which  
7 objection is made.” 28 U.S.C. § 636(b)(1).

8         Plaintiff made no objection to the Report and has taken no action to comply with  
9 Magistrate Judge Rodgers’ Order, such as submitting a properly completed application or  
10 tendering the filing fee. The undisputed evidence shows Plaintiff submitted an  
11 inconsistent application, it was denied, and Plaintiff has not attempted to remedy the  
12 errors since the Order Denying Application to Proceed *In Forma Pauperis* was entered.  
13 Despite Plaintiff’s lack of objection, the court has reviewed the Report *en toto* and finds  
14 closing the file in this matter is appropriate for failure to comply with the court’s Order  
15 and also for failure to prosecute under Fed.R.Civ.P. 41(b). The court is adopting the  
16 Report and closing this file for the reasons set forth therein. However, had Plaintiff  
17 presented a complete application to proceed *in forma pauperis*, the Complaint would be  
18 dismissed as frivolous. For the reasons set forth below, the court finds the claims  
19 presented in the Complaint are frivolous.

20         Pursuant to 28 U.S.C. § 1915(a), a district court “may authorize the  
21 commencement ... of any suit ... without prepayment of fees... by a person who submits  
22 an affidavit that includes a statement of all assets such [person] possesses that the person  
23 in unable to pay such fees or give security therefor.” *See also, Andrews v. Cervantes*, 493  
24 F.3d 1047, 1051 n.1 (9<sup>th</sup> Cir. 2007) (citing *Lister v. Department of Treasury*, 408 F.3d  
25 1309, 1312 (10<sup>th</sup> Cir. 2005) (holding the statute applies to all persons, not just prisoners)).  
26 However, “the court shall dismiss the case at any time if the court determines ... the  
27 action ... (i) is frivolous or malicious; (ii) fails to state a claim on which relief may be  
28 granted; or (iii) seeks monetary relief against a defendant who is immune from such

1 relief.” 28 U.S.C. § 1915(e)(2)(B).

2 A complaint “is frivolous where it lacks an arguable basis either in law or in fact.  
3 [The] term ‘frivolous,’ when applied to a complaint, embraces not only the inarguable  
4 legal conclusion, but also the fanciful factual allegation.” *Neitzke v. Williams*, 490 U.S.  
5 319, 325 (1989), *superseded by statute on other grounds as stated in Lopez v. Smith*, 203  
6 F.3d 1122, 1126-27 (9<sup>th</sup> Cir. 2000). The court may dismiss a claim when it is “based on  
7 an indisputably meritless legal theory” or when “factual contentions are clearly baseless.”  
8 *Neitzke*, 490 U.S. at 327. The “critical inquiry” is whether any of the claims have “an  
9 arguable basis in law and fact.” *Jackson v. State of Ariz.*, 885 F.2d 639, 640 (9<sup>th</sup> Cir.  
10 1989), *superseded by statute on other grounds as stated in Lopez*, 203 F.3d at 1130-31.

11 A “finding of factual frivolousness is appropriate when the facts alleged rise to the  
12 level of the irrational or the wholly incredible, whether or not there are judicially  
13 noticeable facts available to contradict them.” *Denton v. Hernandez*, 504 U.S. 25, 33  
14 (1992). In considering whether a complaint is frivolous, “the *in forma pauperis* statute,  
15 unlike Rule 12(b)(6), ‘accords judges not only the authority to dismiss a claim based on  
16 an indisputably meritless legal theory, but also the unusual power to pierce the veil of the  
17 complaint’s factual allegations and dismiss those claims whose factual contentions are  
18 clearly baseless.” (*Id.*) (quoting *Neitzke*, 490 U.S. at 327).

19 Plaintiff alleged his civil rights were violated because a police officer told Plaintiff  
20 “they don’t work” when Plaintiff stated “not are there only cameras but sound recording  
21 devices within two blocks of any bank.” (ECF No. 2 at 4). Plaintiff also alleged U.S.  
22 Bank imposed four \$36 overdraft fees. (ECF No. 2 at 4). Plaintiff poses a couple  
23 questions in his Complaint: “Why can’t U.S. Bank tell me my credit line” and “when it  
24 comes to bank security what does the federal government say about cameras?” (ECF No.  
25 2 at 3-4). Plaintiff did not indicate any basis for jurisdiction. (ECF No. 2 at 3). Plaintiff  
26 alleged he suffered a “sore neck” as injuries related to these allegations. (ECF No. 2 at 6).  
27 For these alleged civil rights violations, Plaintiff seeks “\$995.00 trillion dollars” in  
28 damages from each Defendant. (ECF No. 2 at 6).

1 Plaintiff's factual allegations are baseless and frivolous. Plaintiff indicated no valid  
2 basis for jurisdiction, and his factual allegations further demonstrate a lack of federal  
3 jurisdiction in this matter. Additionally, the factual allegations fail to present a plausible  
4 claim of a civil rights violation when his claims stem from whether security cameras exist  
5 and \$120 in overdraft fees imposed on his account. He presents no cognizable claim and  
6 his alleged questions are not matters of relevance to this court. The court finds the  
7 Complaint frivolous and no amendment would cure the baseless claims contained therein.

8 The court also observes Plaintiff has eight other cases pending which contain  
9 similar allegations of a sparse, conclusory, and fanciful nature. It appears Plaintiff deems  
10 it appropriate to file a new lawsuit whenever he is unhappy or dissatisfied with another  
11 person's actions. This defies the purpose of civil lawsuits and takes up the court's time  
12 addressing frivolous claims. Plaintiff is warned a litigant who burdens the court with  
13 repetitive and frivolous litigation runs the risk of being declared a vexatious litigant. *See*  
14 *Molski v. Evergreen Dynasty Corp.*, 500 F.3d 1047 (9<sup>th</sup> Cir. 2007). This court is  
15 considering initiating such a process in light of Plaintiff's conduct and allegations in all  
16 of the pending cases, including the instant matter.

17 **IT IS HEREBY ORDERED:**

- 18 1. The Report and Recommendation dated September 6, 2016 (ECF No. 5), is  
19 **ADOPTED IN FULL.**  
20 2. The court finds the Complaint (ECF No. 2) and the claims and factual  
21 allegations contained therein are frivolous and baseless.

22 **IT IS SO ORDERED.** The Clerk is directed to enter this Order, furnish a copy to  
23 Mr. Griffin, and close this file.

24 Dated October 6, 2016.
