If you won a personal injury settlement, why should you be dependent on periodic payments to get the cash you need to get your life back in order? You may have medical bills or want the financial freedom to rebuild your life. Getting cash for a structured settlement is the answer you need.

A lump sum payment gives you another option - giving you the freedom to manage your personal injury settlements in a way that's comfortable for you. It's time to take control of your money rather than waiting for the monthly installments from your structured settlement. Our Lump Sum Cash option gives you cash for your structured settlement, for your future benefit.
