The advertisement features a yellow background. At the top, there is a white rectangular area containing a red icon of a corrupted file. Below this, the text reads: "PC PowerScan™", "Exposes harmful files lurking on your PC!", "Are there corrupt files lurking inside your PC ready to cause harmful destruction?", and "How would you know?". At the bottom, there is another white rectangular area with the same red corrupted file icon, and a line of text: "\*PC PowerScan™ offers a free computer health check tool available for unlimited use and a paid premium error fixing service." There are several small square icons with an 'x' inside, likely representing broken image placeholders.
