Doug:

I have not had an opportunity to take this contract to an attorney yet - because the two attorneys that I typically use are facing one another - one for me and the other against (yes, it technical is a conflict of interest, but...). The attorney that is for me, does work for the Lab, which makes advising me a possible conflict of interest - so, I may go to a third attorney...

I appreciate you diligence on the preparation of this document and will get legal advice as soon as possible.

Best Regards,  
Jim
