7 UNITED STATES DISTRICT COURT
8 WESTERN DISTRICT OF WASHINGTON
9 AT SEATTLE

10
11 AMIGA, INC., a Delaware corporation,

12 Plaintiff,

13 v.

14 HYPERION VOF, a Belgium corporation,

15 Defendant.

CASE NO. C07-631RSM

ORDER ON MOTION FOR LEAVE TO
AMEND

16
17 This matter is before the Court for a ruling on plaintiff's motion for leave to file an amended
18 complaint. Dkt. # 81. Defendant has opposed the motion, arguing that certain allegations in the
19 amended complaint contradict previous sworn statements and other evidence of record in this case.
20 However, under the liberal amendment standard of F.R.Civ.Proc. 15(a), the Court finds that amendment
21 should be allowed so that the pleadings may conform to the facts as they have been developed through
22 discovery. Defendant may argue regarding the asserted inconsistencies between the amended complaint
23 and previous assertions in the record by way of appropriate motion.

24 Plaintiff's motion for leave to file an amended complaint is therefore GRANTED. Plaintiff shall
25 file the amended complaint within twenty days of the date of this Order. As this ruling moots
26 plaintiff/counter defendant's motion for judgment on the pleadings regarding defendant's counterclaims,
27 that motion (Dkt. # 98) shall be STRICKEN from the Court's calendar.

28

3 issue the Order Regarding Initial Disclosures and Regarding Joint Status Report.
