# EXHIBIT 1

SUPREME COURT OF THE STATE OF NEW YORK  
COUNTY OF NEW YORK

ITEC, LLC,

Plaintiff,

-against-

HYPERION V.O.F.,

Defendant.

Index No. 602246-07

**VERIFIED COMPLAINT**

Plaintiff, Itec, LLC, ("Itec"), complaining of the Defendant, Hyperion V.O.F. ("Hyperion"), respectfully alleges as follows:

1. Itec is a New York limited liability company with its principal place of business in the city, county and state of New York.

2. Hyperion, upon information and belief, is a domiciliary of Belgium.

3. Jurisdiction in New York is proper pursuant to Section 302(a)(1) of the C.P.L.R., this action arising out of a contract to be performed in the state of New York and/or Hyperion's transaction of business within this state.

4. Venue is proper in this county pursuant to Sections 503(a) & (c) of the C.P.L.R., Plaintiff being a corporate resident of New York County.

5. Itec and Hyperion entered into a written contract memorializing an agreement reached between the parties on April 24, 2003 (the "Agreement"). Pursuant thereto, Hyperion agreed that, for the receipt of \$25,000, it would transfer to Itec all of its interests in certain Object Code, Source Code and intellectual property of the operating system software known as Amiga OS4.0 and related technology (the "OS4.0"), that Hyperion had theretofore been tasked with creating pursuant to a separate contract with a Washington corporation then

named Amiga, Inc. ("Amiga Washington"). A true copy of the Agreement is annexed hereto as Exhibit A; a true copy of the separate agreement between Hyperion and Amiga Washington, referenced therein (without exhibits or annexes), is annexed hereto as Exhibit B.

6. Pursuant to Exhibit B, the obligation of Hyperion was to transfer the materials enumerated in Paragraph 5 hereof upon completion of the OS4.0 so long as payment was made at any time prior to or within six months of the completion of the OS4.0. Exhibit B ¶ 3.01.

7. Citing financial difficulties, Hyperion asked that the \$25,000 payment be made to it in advance of the completion of the OS4.0, and by April of 2003, Hyperion had received at least \$24,750 in payments relating to the OS4.0, at least \$20,000 of which was paid by Itec directly, the rest by third parties on its behalf and/or for its benefit. That this amount was \$250 less than the agreed upon payment amount was a mathematical error, and both Itec and Hyperion believed at that time that it constituted payment of the full agreed upon \$25,000. Accordingly, the Agreement, entered into after these payments, "confirms that for the receipt of \$25,000 USD, Hyperion shall deliver" the materials enumerated in Paragraph 5 hereof "to Itec in accordance with the provisions of the November 1 (sic), 2001 Agreement" which is annexed hereto as Exhibit B. Agreement ¶ 2.

8. In or about February 2004, Hyperion issued a confirming invoice to Itec for "the \$22,500 paid by Itec to Hyperion" in 2003, which invoice Hyperion dated as of December 31, 2003. In the invoice, Hyperion again specifically referenced the agreement between Amiga and Hyperion annexed hereto as Exhibit B, pursuant to which Hyperion was tasked with developing the OS4.0. A true copy of the invoice is annexed hereto as Exhibit C,

and a true copy of Hyperion's explanatory note relating to the invoice is annexed hereto as Exhibit D.

9. Hyperion retained the payments made by or on behalf of Itec. At no time material to Hyperion's performance obligation did it ever advise or notify Itec that it was still owed \$250 or that it would not perform its obligations unless and until it received an additional \$250.

10. In October, 2003, Itec transferred its rights to the OS4.0 to a Delaware corporation named KMOS, Inc. A true copy of the transfer agreement between Itec and KMOS is annexed hereto as Exhibit E.

11. Itec understood and believed that Hyperion consented to this transfer of rights and that it had agreed to treat KMOS (n/k/a Amiga, Inc.) as its contract partner with respect thereto. See, e.g., Exhibit D.

12. Upon information and belief, as of September 2006, Hyperion still had not completed the OS4.0, and no commercially salable version of the OS4.0 then existed.

13. By September 2006, additional payments were made to Hyperion by KMOS, n/k/a Amiga, Inc., regarding the OS4.0, and by September 2006, Hyperion had received and retained payments in excess of \$25,000 in respect of the OS4.0.

14. Upon information and belief, on December 24, 2006, Hyperion announced that a "final update" version of the OS4.0 was ready for release.

15. Upon information and belief, Amiga Inc. f/k/a KMOS, thereafter demanded that Hyperion turn over the OS4.0 to it.

16. Upon information and belief, Hyperion refused to do so, and in May 2007, Amiga, Inc. sued Hyperion in a litigation in the Washington federal court (the "Amiga

Litigation”) for a variety of breach of contract and trademark claims, including claims to the OS4.0. Itec is not a party to, nor does it have any interest in, that litigation.

17. Upon information and belief, in the Amiga Litigation, Hyperion has taken the position that the transfer of rights from Itec to KMOS, described in Paragraph 10 above, was ineffective and, that the Itec/KMOS transfer agreement, Exhibit E hereto, is “invalid, void and otherwise unenforceable”, and Hyperion has asserted this as a basis for not turning the OS4.0 over to Amiga, Inc.

18. If the rights to the OS4.0 were not effectively transferred to KMOS under the agreement between Itec and KMOS, then they remain with Itec.

19. Accordingly, on June 20, 2007, Itec, reserving all rights, notified Hyperion that it had elected to exercise its rights under the Agreement, tendered an additional payment in the amount of \$25,000 to Hyperion, and demanded that Hyperion transfer the OS4.0, and all rights relating thereto, to Itec no later than June 26, 2007. A true copy of Itec’s notice to Hyperion and tender of payment is annexed hereto as Exhibit F.

20. Hyperion rejected the tender and has failed and refused to transfer the OS4.0 to Itec as required by the Agreement.

21. Upon information and belief Hyperion recognized from Itec’s June 20, 2007 notice that if it failed to deliver the OS4.0 to Itec by June 26, 2007, Itec would sue Hyperion in New York. Accordingly, in a transparent effort to forum shop, on June 26, 2007 Hyperion moved in the separate Amiga Litigation in Washington, to join Itec as a “Third Party Counterclaim Defendant.”

22. Hyperion has done this even though, among other things (a) Hyperion challenges the sufficiency of service of process on it in the Amiga litigation; (b) Itec is not

subject to jurisdiction in that forum; and (c) the Amiga Litigation is, among other things, a trademark action in which Hyperion and Amiga, the owner of federal registrations for the trademark "Amiga," are fighting over the rights to that mark. Itec has no interest therein, and, unlike this simple breach of contract suit, the Amiga Litigation will likely take years and be an enormously expensive litigation to resolve.

23. At the time Itec sent Hyperion the notice and tender of payment annexed hereto as Exhibit F -- before Hyperion made its motion in the Amiga Litigation -- Itec intended to bring this action if Hyperion refused to provide the OS4.0 as required by the Agreement. As of the date hereof, Itec still is not a party to the Amiga Litigation, and Hyperion should not be permitted via its bad faith race to the courthouse to deprive Itec, a New York resident, of a New York forum.

24. Itec has performed or has tendered performance of all of its material obligations under the Agreement.

25. Itec has no adequate remedy at law.

**In and for a First Cause of Action**

26. Paragraphs 1 – 25 above are hereby incorporated by reference and realleged as though set forth in full.

27. Pursuant to the Agreement, upon the payment described in Paragraph 5, above, Hyperion contracted to transfer the OS4.0 to Itec.

28. By reason of the fact that the OS4.0 was a specially designed program and, according to Hyperion, took several years to develop, it is a unique chattel, and it is not practicable for Itec now to have it developed elsewhere.

29. Itec's transfer of its rights to KMOS pursuant to Exhibit E was made in October, 2003, before any cause of action had accrued against Hyperion under the Agreement. Itec did not assign or transfer any causes of action whether accrued or after acquired in its agreement with KMOS.

30. Itec's transfer of rights to KMOS was consented to and was, in any event, valid and enforceable. As a consequence, Itec and KMOS, as assignor and assignee, each holds an interest in the claim to the OS4.0, and each may sue thereon separately.

31. Despite full payment of the contractually stipulated sum having been made and/or tendered to Hyperion, Hyperion has failed and refused to provide the OS4.0 to Itec in breach of the Agreement.

32. Itec is therefore entitled to specific performance of the Agreement, including an order declaring that it is the true and rightful owner of all of Hyperion's rights and interests in the OS4.0 and requiring Hyperion to transfer the OS4.0 to Itec forthwith.

**In and For a Second Cause of Action**

33. Paragraphs 1 – 32 hereof are hereby incorporated by reference and realleged as though set forth in full.

34. Alternatively, if, as Hyperion alleges, the Itec/KMOS agreement is invalid, void and/or unenforceable, then the rights to the OS4.0 at all times remained with Itec.

35. Itec is therefore entitled to specific performance of the Agreement, including an order declaring that it is the true and rightful owner of all of Hyperion's rights and interests in the OS4.0 and requiring Hyperion to transfer the OS4.0 to Itec forthwith.

Wherefore, Plaintiff, Itec LLC, respectfully demands judgment as follows:

- a) An order declaring that it is the true and rightful owner of all rights and interests in the OS4.0 and requiring Hyperion to transfer the OS4.0 to Itec forthwith;

- b) The costs of this action; and
- c) Such other, further and different relief as to the Court may seem just and proper.

## ARTICLE II. OBLIGATIONS OF THE AMIGA ONE PARTNERS; APPOINTMENT

2.01 **Appointment.** Amiga hereby grants the Amiga One Partners a right and license to use and modify the Software and an exclusive right and license to market and distribute OS 4 as a standalone version for the Target Hardware and as an OEM version shipped with the Amiga One. Amiga furthermore grants the Amiga One Partners a right and license to use the Amiga trademarks in conjunction with the Amiga One. Hyperion shall develop Amiga OS 4.0 for the Target-Hardware with the minimal feature-set set out in Annex I and pursuant to the development guidelines set out in Annex I. Amiga acknowledges and accepts that Hyperion will bring in third party contractors (Annex II) to fulfill its contractual obligations.

2.02 **Timeline.** Hyperion shall use best efforts to ensure that Amiga OS 4.0 is ready for release before March 1, 2002.

### 2.03 **Royalties.**

(A) **Standalone version.** Other than for OS 4.0 for which no royalties shall be due by Hyperion, Hyperion shall pay Amiga a royalty of 20 USD for each standalone version of any subsequent versions of OS 4 developed by Hyperion pursuant to this Agreement.

(B) **OEM version.** Eyetech shall pay Amiga a royalty of 25 USD per unit of Amiga OS 4, said royalty shall moreover be considered payment in full for the Amiga One Partners right and title to use the Amiga trademarks in conjunction with the Amiga One.

(C) **Upgrades.** In the event upgrades are made available at a price which exceeds a reasonable amount for shipping and administrative costs, Hyperion and/or Eyetech shall pay Amiga a pro rata royalty which shall be calculated by comparing the suggested retail price (SRP) in Germany of a standalone version of OS 4 with the

*Handwritten initials/signature*

SRP in Germany of the upgrade package.

**2.04 Records and inspection.** During the term of this Agreement, the AmigaOne Partners shall deliver to Amiga bi-monthly reports within thirty (30) days after the end of bi-monthly period setting forth the sales of the OS 4. Following such bi-monthly report, accrued royalties shall promptly be wired to Amiga. Amounts of less than Two Thousand (2000) USD shall be carried over to the next bi-monthly period. The AmigaOne Partners shall maintain or acquire complete and accurate records of sales to permit the determination of the sums payable by the AmigaOne Partners to Amiga. The AmigaOne Partners shall, upon fourteen (14) days advance written notice by Amiga, permit reasonable inspection of such records by Amiga or its outside accountants. The finding of errors in such records shall not of itself constitute a material breach of this Agreement. Amiga shall bear all of its own costs of such inspection even if it finds errors in the Amiga One Partners' records unless the inspection reveals more than 5% underpayment on the part of one of the Amiga One Partners in which case said partner shall bear the costs of inspection which shall not be unreasonable.

**2.05 Interest.** Interest shall accrue on any delinquent amount owed by the AmigaOne Partners at the rate of one percent (1%) per month, or the maximum rate permitted by the law of the State of Washington, U.S.A, whichever is less.

**2.06 Ownership.** Amiga shall retain ownership of the Software. Other than the rights and licenses granted to the AmigaOne Partners and Hyperion and Eyetech individually, nothing in this Agreement shall be construed as limiting Amiga's right and title in the Software. At any time prior to the completion of OS 4.0 and no later than six (6) months thereafter and provided Amiga makes the payment pursuant to article 3.01 hereof, Hyperion shall transfer all Source Code, interest and title in OS 4.0 to Amiga to the extent it can do so under the agreements concluded with third party contractors. Hyperion shall use best efforts to secure the widest possible rights from third party contractors. Amiga hereby acknowledges and accepts that some third parties may only grant an Object Code license or may otherwise restrict the rights granted to Hyperion.

**2.07 Bankruptcy.** In the event Amiga files for bankruptcy or becomes insolvent, the Amiga One Partners are granted an exclusive, perpetual, world-wide and royalty free right and license to develop (at their sole expense), use, modify and market the Software and OS 4 under the "Amiga OS" trademark.

**2.08 Contingency.** In the event Amiga decides to halt development of the Classic Amiga OS for the Target Hardware, the Amiga One Partners are granted an exclusive, perpetual, worldwide right and license to develop, use, modify and market the Software and OS 4 under the "Amiga OS" trademark and at their sole expense. Royalties due to Amiga shall be calculated in accordance with article 2.03 hereof. Amiga shall be deemed to have halted development of the Classic Amiga OS in the event that no substantially new version of the Classic Amiga OS for the Target Hardware is released within 6 (six) months after the completion of OS 4.0 by Hyperion.

### ARTICLE III OBLIGATIONS OF AMIGA.

**3.01** Amiga may, at any time but no later than six (6) months after the completion of OS 4.0, elect to pay Hyperion Twenty Five Thousand USD (25,000 USD) in order to acquire the Object Code, Source Code and intellectual property of OS 4.0 pursuant to and within the limits set out in article 2.06 hereof. Said payment will first be applied against the balance of any outstanding invoices by the AmigaOne Partners vis ~ vis Amiga. In the event Amiga does not elect to carry out the aforementioned payment, all ownership and title in the enhancements of and additions to the Software effected by Hyperion and its subcontractors pursuant to this Agreement, shall rest with Hyperion.

**3.02** Amiga shall provide Hyperion with all necessary Source Code and documentation to allow Hyperion to carry out its contractual obligations under this Agreement.

### ARTICLE IV. WARRANTIES AND INDEMNIFICATIONS

**4.01 Warranty and Covenant of Original Development by Amiga.** Amiga represents, warrants and covenants that: (a) it is and shall be the owner of all intellectual property rights in the Software under copyright, patent, trademark, trade secret, and other applicable law; (b) the Software delivered or licensed to the Amiga One Partners hereunder is and shall be of original development by employees of Amiga in the conduct of their duties as employees or by third parties who prepared such materials for Amiga pursuant to a contract between Amiga and said third parties and who assigned to Amiga his or its entire right, title and interest in the Software; (c) the Software does not and shall not infringe or otherwise violate any patent, copyright or trade secret of any third party anywhere in the world; (d) it has not received, as of the date of the delivery of the Software to Hyperion, actual notice of any claim that the Software or the use thereof infringes any intellectual property right of any third party anywhere in the world or that any third party has any proprietary interest in or to the software, or any invention, patent, work of authorship, copyright, trade secret, know-how or a similar right to the software.

**4.02 Indemnification.** Amiga shall indemnify and hold Hyperion harmless from and against all claims, suits, demands, actions, judgments, penalties, damages, costs and expenses (including attorney's fees and costs), losses or liabilities of any kind arising from a claim that the Software infringes a patent, copyright or other intellectual property right of any other person anywhere in the world.

**4.03 Indemnification.** Hyperion shall indemnify and hold Amiga harmless from and against all claims, suits, demands, actions, judgments, penalties, damages, costs and expenses (including attorney's fees and costs), losses or liabilities of any kind arising from a claim that OS 4.0 or any other version of the Classic Amiga OS developed pursuant to this Agreement infringes a patent, copyright or other intellectual property right of any other person anywhere in the world.

**4.04 Notice.** Amiga and Hyperion shall promptly notify the other party of any actions brought or claims asserted whose outcome may affect the rights granted to Hyperion and/or Amiga pursuant to this Agreement.

**4.05 Organization and Standing.** Hyperion is a corporation duly organized, validly existing and in good standing under the laws of the kingdom of Belgium. Amiga is a corporation duly organized, validly existing and in good standing under the laws of the State of Washington, USA. Eyeteck is a corporation duly organized, validly existing and in good standing under the laws of England.

**4.06 Power to grant rights.** Amiga represents and warrants that: (a) it has the right, power and authority to grant the rights and licenses granted in this Agreement and fully perform its obligations hereunder; (b) the making and performance of this Agreement by Hyperion does not and shall not violate any separate agreement, right or obligation existing between Amiga and any third party; and (c) there are no outstanding liens, security interests or other encumbrances of any kind whatsoever in or to the Software or to any of the intellectual property rights therein.

## ARTICLE V. CONFIDENTIALITY

(a) Each party may disclose to another party Confidential Information as may be necessary to further the performance of this Agreement. Each party agrees to treat another's Confidential Information in the manner prescribed herein.

(b) Amiga and the Amiga One Partners shall protect any other party's Confidential Information as follows:

Each party shall require each such employee or agent to enter into a written non-disclosure agreement containing provisions substantially consistent with the terms hereof prior to the disclosure of Confidential Information to such employee or agent. Each party shall treat the Confidential Information of another party with the same degree of care as it protects its own Confidential Information, and in no event less than a reasonable degree of care.

(II) Except as specifically permitted herein, upon the termination of this Agreement, each party shall

return to the other, or, if so requested, destroy all Confidential Information of the other party in its possession or control, except such Confidential Information as may be reasonably necessary to exercise the rights that survive the termination of this Agreement.

(c) The foregoing obligations of confidentiality shall not apply with respect to any party's Confidential Information to the extent that it:

(I) is within or later falls within the public domain through no fault of the party receiving the Confidential Information; or

(II) is, or becomes, available to the receiving party from third parties, who, in making such disclosure, have breached no written confidentiality agreement; or

(III) is previously known by the receiving party;

(IV) is independently developed by or for the receiving party without use of the Confidential Information.

### OS 4 Schedule and Feature List

*Hans-Jörg Frieden,  
Senior software engineer, Hyperion Entertainment*

This document describes the tasks required to get to OS 4 running on the AmigaOne and CyberStorm PPC hardware. Tasks are categorized as *essential*, *important* or *optional* depending on their importance. *Essential* tasks must be carried out to get bare minimum functionality. *Important* tasks are task that are not essential for functionality, but are to be considered so fundamental that OS 4 would rather be incomplete without them. Finally, *optional* tasks are things that can be considered if time and resources don't run out. They would be nice to have, but not critical.

Subject: Itec invoice

Gentlemen,

Our accountant informed me that we never issued an invoice for the 22500 USD paid by Itec to Hyperion last year.

I believe the problem at the time was that we didn't know where to send it and to whom.

There are now 2 options:

- we issue the invoice to Itec or KMOS in 2004
- we issue the invoice in 2003 to Itec or Kmos

We can do the latter because we have not yet filed our tax return for 2003.

Please advise.

Best regards,

HYPERION VOF

Gentlemen:

Reference is made to that certain agreement dated April 24, 2003 between Itec LLC ("Itec") on the one hand and Hyperion VOF ("Hyperion") on the other, a copy of which is attached hereto as Exhibit "A" for your convenience (the "Agreement").

Pursuant to that Agreement, Hyperion, among other things, agreed to transfer to Itec the ownership interest in the Object Code, Source Code and intellectual property of OS 4.0, as more fully described in the Agreement (hereinafter collectively, "OS.4.0"), for the sum of \$25,000 (U.S.).

Although this sum has heretofore been paid to Hyperion, to date, Hyperion has not transferred ownership to Itec in accordance with the Agreement, nor provided Itec with the OS.4.0, even though, we understand, Hyperion has taken the position that the OS.4.0 is now completed.

Therefore, to avoid any dispute, and reserving all rights and claims to recover any payments previously made in this regard, Itec is enclosing herewith a check in the amount of \$25,000 as full payment for the OS.4.0 pursuant to the referenced Agreement.

Please provide us with all requisite title documents with respect to, and delivery of the physical, OS.4.0, as soon as commercially practicable. If such delivery cannot be made by the close of business on June 26, 2007 (NYT), I should appreciate your advising in writing why this is so, and when such delivery shall be made.

Very truly yours,
