1 proceedings. The MDL Panel has set this matter for hearing on May 31, 2007 in Las Vegas,
2 Nevada; and

3 WHEREAS, the parties believe that in the short intervening time between now and a
4 decision by the MDL Panel on transfer and coordination and/or consolidation, a stay of these
5 proceedings will conserve party and judicial resources.

6 IT IS HEREBY STIPULATED by and between Plaintiff and Defendant Menu Foods,
7 through their designated counsel that this matter, including the deadlines for the parties to
8 participate in class certification and other pretrial proceedings, be stayed pending the
9 establishment of *In re: Pet Food Products Liability Litigation*, MDL Docket No. 1850, and
10 the potential subsequent transfer of this case for coordinated pretrial proceedings with other
11 actions pending throughout the country.

12 All parties shall, during the pendency of the stay of this matter, comply with their duty
13 to preserve all evidence that may be relevant to this action. This duty extends to documents,
14 electronic data, and tangible things in the possession, custody and control of the parties to this
15 action, and any employees, agents, contractors, or carriers who possess materials reasonably
16 anticipated to be the subject of discovery in this action. "Preservation" is to be interpreted
17 broadly to accomplish the goal of maintaining the integrity of all documents, data and tangible
18 things reasonably anticipated to be the subject of discovery under Fed. R. Civ. P. 26, 45 and
19 56(e) in this action. Preservation includes taking reasonable steps to prevent the partial or full
20 destruction, alteration, testing, deletion, shredding, incineration, wiping, relocation, migration,
21 theft, or mutation of such material, as well as negligent or intentional handling that would
22 make material incomplete or inaccessible. If the business practices of any party involve the
23 routine destruction, recycling, relocation, or mutation of materials, the party must, to the
24 extent practicable for the pendency of this order, either:

- 21 i) halt such business practices;
- 22 ii) sequester or remove such material from the business process; or
