How It Works

- 1 We profile hundreds of thousands of attorneys, using information from state courts and bar associations, websites, and lawyers themselves.
- 2 We calculate each lawyer's Avvo Rating, to help you sort through the profiles.
- 3 You contribute your firsthand experiences by rating attorneys that you've worked with.

What Is Avvo?

Avvo is a website that rates and profiles every lawyer, so you can choose the right lawyer. Avvo delivers the information and guidance you need to help you make this important decision, even if you've never worked with a lawyer before. Here's what you'll find on Avvo:

Profiles for every attorney in the state, with information including experience practicing law, disciplinary sanctions, professional achievements, and client ratings.

The Avvo Rating: Based on information we have collected about a lawyer, the Avvo Rating is our assessment of how well the lawyer could handle your legal issue. [Learn more](#)
