Mike:

Thank you for your call.

I believe our motion is correctly noted. Furthermore, given (i) the trial date/deposition schedule; (ii) the length to which we've already been strung along; and (iii) frivolousness of the designations and redactions, we decline to extend the noting date.

As I mentioned, it seems the proper response would be for you to "de-designate" all of the documents (with the single exception noted in our brief) and provide an unredacted set.

I would also like electronic versions of the "Sonics Challenge" powerpoint, (#00158-00199), and the "Path Forward" powerpoint (#00200-00203). The same for the xl schedule (0108-0109). Please let me know by close of business today if you are willing to provide electronic copies; if not please make sure Mr. Griffin preserves them.

Also, it appears that you produced no emails attaching these powerpoint presentations. Please produce all such emails by noon tomorrow, or confirm that none exist.

Steve
