13 Action ("Summary Notice") substantially in the form approved by the Court in the Order for
14 Notice and Hearing was published pursuant to the specifications of the Court, and that a website

22 same meanings as set forth and defined in the Stipulation.

23 3. The Court finds that the prerequisites for a class action under Rule 23(a) and

5 controversy.

7 notice practicable under the circumstances. The Notice provided due and adequate notice of
8 these proceedings and the matters set forth herein, including the Settlement and Plan of
9 Allocation of the Settlement Fund, to all persons and entities entitled to such notice, and the
10 Notice fully satisfied the requirements of Rule 23 of the Federal Rules of Civil Procedure,
