)
Plaintiff,)
v.)
)
LITHIA MOTORS, INC.,)
)
Defendant.)

Case No.: 2:11-cv-00859-RAJ

**DECLARATION OF JENNIFER M.
KEOUGH REGARDING NOTICE AND
SETTLEMENT ADMINISTRATION**

I, Jennifer M. Keough, declare as follows:

1. I am the Chief Operating Officer of The Garden City Group, Inc. (“GCG”). The following statements are based on my personal knowledge and information provided by other GCG employees working under my supervision and, if called on to do so, I could and would testify competently thereto. GCG has been providing comprehensive legal administration services for over 25 years. Our team has served as administrator for over 2,500 cases. In connection with serving as administrator in those cases, we have mailed over 287 million notices, disseminated over 700 million emails, handled over 28 million phone calls, processed over 50 million claims,

1 and distributed over \$33 billion in benefits. GCG's legal notices have appeared in more than 40
2 languages in approximately 170 countries.

3 2. GCG is serving as the Settlement Administrator in the above-captioned litigation
4 (the "Lawsuit")¹, for the purpose of providing notice and settlement administration. In this
5 capacity, GCG is charged with, among other duties, (a) receiving, organizing and analyzing data
6 provided by Counsel; (b) reviewing and formatting the Short-Form Notice and the Claim or
7 Exclusion Form ("Notice Packet"); (c) reviewing and formatting the Long-Form Notice which was
8 posted on the website; (d) printing and mailing the Notice Packets to Class Members; (e) creating
9 and maintaining a Settlement Website; (f) providing a toll-free telephone number for Class
10 Members and establishing and maintaining an interactive voice response ("IVR") system; (g)
11 processing undeliverable mail and locating updated addresses for Settlement Class Members; (h)
12 processing other communications about the Settlement; (i) processing claims and cross-referencing
13 with the original data provided; (j) determining if the claimant filed an "Approved Claim," as
14 defined in the Settlement Agreement and Release ("Settlement Agreement"), Section III., A., 1. (p.
15 2); (k) identifying deficient claims and providing this information to Counsel; (l) providing weekly
16 reports to Counsel; and, (m) providing a declaration attesting to the completion of the notice
17 process and the ongoing settlement administration process to Counsel for filing with the Court.

18 **RECEIPT AND HANDLING OF DATA**

19 3. On June 12, 2012, Counsel for Defendant provided GCG with a link to a secure
20 website, which contained a database of the Class Members in the Lawsuit. GCG downloaded and
21 analyzed the electronic data file that contained a total of 118,356 records. GCG established a
22 dedicated database for the records ("Settlement Database"). The records contained the names,
23 addresses, and telephone numbers of the Class Members.

24 4. GCG analyzed the data and removed duplicative information. GCG also identified
25 records that contained the same telephone number, but had two different names and addresses.

26 ¹ Unless otherwise defined herein, all capitalized terms shall have the same meaning as set forth in the Settlement
27 Agreement and Release (Dkt. # 20), Preliminary Approval Order (Dkt. # 37), and the Order Approving Class Notice
(Dkt. # 38).

1 GCG worked with the Defendant to clarify the actual recipients of the text messages and updated
2 the Settlement Database. There were a total of 59,178 unique records in the Settlement Database.

3 5. At Counsel's request, GCG took all of the telephone numbers (59,178), and
4 conducted a reverse telephone directory search in order to locate any additional Class Members
5 that may have had that particular cellular telephone number at the time of the Class Period. This
6 search resulted in locating 20,630 records that had a different name or address associated with the
7 particular cellular telephone number than what was listed in the original data. These records were
8 added to the Settlement Database.

9 6. GCG then conducted a review of all the records in the Settlement Database and
10 removed duplicate records and any records with an insufficient mailing address. This resulted in a
11 total of 74,980 records in the Settlement Database.

12 **NOTICE TO THE SETTLEMENT CLASS**

13 7. Pursuant to the Order Approving Class Notice, Paragraph 2, GCG formatted the
14 Short-Form Notice and the Claim or Exclusion Form ("Notice Packet") to mail to potential Class
15 Members. On July 3, 2012, GCG mailed, via first-class U.S. Mail, a total of 74,980 Notice Packets
16 to potential Class Members. A true and correct copy of the Notice Packet is attached hereto as
17 Exhibit A.

18 8. As of September 25, 2012, a total of 1,718 Notice Packets were returned to GCG by
19 the U.S. Postal Service with forwarding address information provided. GCG promptly remailed
20 the Notice Packets to the forwarding addresses. As of September 25, 2012, there were 14,665
21 Notice Packets that were returned to GCG as undeliverable without forwarding address
22 information.² Additionally, GCG promptly mailed a copy of the Notice Packet to any Settlement
23 Class Member who requested one.

24 **WEBSITE**

25 9. GCG established and is maintaining a Settlement Website dedicated to this Lawsuit
26 (www.TEXTCLASSSETTLEMENT.com) to allow Class Members to (i) review the Notice; (ii)

1 receive information regarding frequently asked questions; (iii) download a copy of the Claim or
2 Exclusion Form; (iv) review Court documents, including the Settlement Agreement, the
3 Preliminary Approval Order, the Order Approving Class Notice, and the Motion for Award of
4 Attorneys' Fees and Cost and Service Award to the Named Plaintiff; (v) review Important Dates
5 relating to the Lawsuit; and (vi) locate GCG's contact information if the potential Settlement Class
6 Member has additional questions. The Settlement Website address was included in the Notice
7 Packets that were mailed to Class Members. The website went live on July 3, 2012, and is
8 accessible 24 hours a day, 7 days a week. As of September 25, 2012, GCG has received 875 visits
9 to the website.

10 **TOLL-FREE NUMBER**

11 10. Beginning on July 3, 2012, GCG set up and is maintaining an automated toll-free
12 number (1-888-624-6705), where potential Class Members can obtain information about the
13 Settlement. This toll-free number was included in the Notice Packets that were mailed to Class
14 Members. This toll-free help line is accessible twenty-four (24) hours a day, seven (7) days a
15 week. Claimants who call the toll-free number are able to access information about the Lawsuit,
16 the Settlement, and have frequently asked questions answered. Claimants also have the option of
17 leaving a voice mail message requesting that a Notice Packet be mailed to them or requesting that a
18 call center representative return their call. As of September 25, 2012, GCG has received 654
19 incoming calls, which entailed 1,582.60 IVR minutes, and received 236 voice messages. Each of
20 these messages was returned promptly.

21 **CLAIMS**

22 11. Class Members who wanted to be included in the Settlement Class were required to
23 complete a Claim or Exclusion Form, indicating that they were "Participating in the Settlement"
24 and were required to indicate the number of text messages received, whether they had received a
25 second text message after attempting to opt out of receiving text messages, and dating and signing
26 the participation section. The deadline for submitting the form was postmarked no later than
27 September 14, 2012. GCG processed the Claim or Exclusion Forms as they were received and
28

1 determined whether they were an “Approved Claim” as defined by Section III., A., 1., of the
2 Settlement Agreement. As of September 25, 2012, GCG has received a total of 3,535 Claim or
3 Exclusion Forms, where the claimant indicated they wished to participate in the Settlement. As of
4 September 25, 2012, a total of 2,703 claims were deemed to be Approved Claims. The remaining
5 835 claims have various deficiencies and are being reviewed by Counsel.

6 **DEFICIENCIES**

7 12. There are five categories of deficiencies with the Claim or Exclusion Form that
8 have been filed by claimants. They are: (1) Claim or Exclusion Forms with no signature; (2) Claim
9 or Exclusion Forms with inconsistent information; (3) Claim or Exclusion Forms where the
10 claimant did not indicate the number of texts he/she received; (4) Claim or Exclusion Forms where
11 the claimant marked in both the Participation Section and the Exclusion Section of the form; and,
12 (5) Claim or Exclusion Forms where the claimant listed a telephone number that was not included
13 in the original data.

14 13. As of September 25, 2012, there are a total of six (6) records in Category One,
15 where the Claim or Exclusion Forms were not signed.

16 14. As of September 25, 2012, there are a total of one hundred and six (106) records in
17 Category Two, where the claimed information is inconsistent. Specifically, the claimants have
18 marked that they only received one text, but then replied “Yes” to the question asking if they
19 requested to opt out from receiving text messages after the first text, but then still received a
20 second text. By answering “Yes” to this question, the claimants would have necessarily received
21 two text messages.

22 15. As of September 25, 2012, there are a total of two hundred and sixty-two (262)
23 records in Category Three, where the claimant left the number of text messages they received as
24 blank.

25 16. As of September 25, 2012, there are a total of thirty-nine (39) records in Category
26 Four, where the claimant marked in both the Participation Section and the Exclusion Section of the
27 form

1 Settlement, the number of objections received, the number of visits to the website, the number of
2 calls to the IVR, and the number of administrative mail received. GCG has also been providing
3 both Parties with reports regarding the types and numbers of deficient claims with specific
4 examples.

5 **COSTS OF ADMINISTRATION**

6 22. GCG has billed Defendant \$138,679.28 for costs and fees through August 31, 2012.
7 We anticipate that the final total for administration of this Settlement, including preparing,
8 processing, and mailing approximately 3,100 checks to Class Members will be \$160,500 to
9 \$165,500 (inclusive of costs and fees).

10
11 I declare under penalty of perjury under the laws of the State of Washington that the
12 foregoing is true and correct.

13
14 Executed this 28th day of September 2012, at Seattle, Washington.

EXHIBIT A

McClintic v. Lithia Motors, Inc. Class Action Litigation
No. C11-859RAJ, United States District Court for the Western District of Washington

COURT-APPROVED SUMMARY NOTICE OF SETTLEMENT

TO: A Settlement Class of all persons in the United States who received one or more Text Messages from or on behalf of Lithia Motors, Inc. (“Lithia”) at any time between April 21, 2007 and June 11, 2012, including all persons in the United States who received a second Text Message from Lithia after attempting to opt out of receiving additional Text Messages.

- The Court has preliminarily approved a settlement that will pay you approximately \$175 and as much as approximately \$675, depending on how many Text Messages you received and whether you attempted to opt out of receiving future Text Messages.
- **To claim a cash award, you must make a claim on the enclosed “Claim or Exclusion Form” and return it in the enclosed postage-prepaid envelope postmarked no later than September 14, 2012.**
- You may also exclude yourself from this Lawsuit or object to the settlement. You may also do nothing, in which case you will give up claims against Lithia but receive no cash award.
- Participating in this settlement will cost you nothing, although you will give up your claims against Lithia.
- As part of the settlement, lawyers for the Settlement Class (“Class Counsel”) will request up to \$600,000, inclusive of out-of-pocket costs. You may review this request and object to it.
- This Notice only summarizes the settlement. Complete information is available at www.TextClassSettlement.com.
- The Court will hold a hearing on October 11, 2012 at 2:00 p.m. PDT to decide whether to give final approval to the settlement. You may attend this hearing, but you are not required to.
- **PLEASE DO NOT CALL THE COURT, LITHIA, OR CLASS COUNSEL.** If you have questions, you may contact the Settlement Administrator at 1-888-624-6705.

In April of 2011, Lithia or people acting on Lithia’s behalf sent Text Messages to the cellular telephones of customers in portions of the United States. Kevin McClintic filed a class action against Lithia alleging that these messages were unlawful under state and federal law.

Lithia and McClintic reached a settlement of the class action. Judge Richard A. Jones of the United States District Court for the Western District of Washington at Seattle preliminarily approved the settlement. You are a member of the Settlement Class and may receive a cash award by completing the enclosed “Claim or Exclusion Form” and returning it in the enclosed postage-prepaid envelope. If your claim is approved and you received one or two Text Messages, you will receive approximately \$175.00 for each Text Message you received. If you tried to opt out of receiving Text Messages from Lithia but still received a second text, you will receive approximately \$500.00 for the second text. In the event that the number of Approved Claims exceeds the amount available to pay claims (approximately \$1,740,000), then payments will be reduced pro rata. If the number of Approved Claims does not exhaust the amount available to pay claims, then Approved Claim payments will be increased pro rata.

You can exclude yourself from the settlement by marking the appropriate box on the enclosed "Claim or Exclusion Form" and mailing it in the enclosed postage-prepaid envelope to the Settlement Administrator at the address below.

You can object to the settlement by putting the reason for your objection in writing and mailing it to the Settlement Administrator, postmarked no later than September 14, 2012. If you submit a timely objection, you may also attend the October 11, 2012 hearing to explain your objection to the Court.

Whether you wish to claim a cash award or exclude yourself from the settlement, you must mail your "Claim or Exclusion Form" in the enclosed postage-prepaid envelope postmarked no later than September 14, 2012. If you do not mail the "Claim or Exclusion Form" by the deadline, you will be deemed to have released (given up) all claims, but you will not receive any payment. If you wish to object to the settlement, you must also mail your objection postmarked no later than September 14, 2012.

Please read the full Legal Notice of the proposed settlement at the Settlement Administrator's website at www.TextClassSettlement.com or by requesting a copy from the Settlement Administrator by mail. The full Legal Notice contains other details regarding the settlement, including the Release that you would be giving unless you affirmatively request to be excluded from the settlement by timely submitting the enclosed "Claim or Exclusion Form." A summary version of the Release is as follows:

This Release means that by participating in the settlement or by failing to exclude yourself from the settlement, you will be prohibited from suing any of the Released Parties for any claims relating to Text Messages you received that were sent by or on behalf of Lithia from April 21, 2007, until and through June 11, 2012. The Released Parties are Lithia Motors, Inc., and DMEautomotive, LLC. When the Court gives final approval of the settlement, Lithia and DMEautomotive will be released by you for any claim related to this Lawsuit concerning the receipt of any Text Messages sent to you by Lithia or DMEautomotive.

If you have any questions, or if you need additional information, please contact the Settlement Administrator:
