8 UNITED STATES DISTRICT COURT  
WESTERN DISTRICT OF WASHINGTON  
9 AT SEATTLE

10 DOUGLAS JAY,

11 Petitioner,

12 v.

13 UNITED STATES OF AMERICA,

14 Respondent.

CASE NO. C11-1851 MJP

ORDER RE: SURREPLY IN  
MOTION FOR RELIEF FROM  
JUDGMENT

15  
16 The Court requests a brief (not to exceed 6 pages) surreply from the Government to  
17 Petitioner's argument that his previous counsel's ineffective assistance resulted in the assessment  
18 of a community service payment in excess of what should rightfully have been imposed.

19 Petitioner has adequately demonstrated that this issue was raised in his initial petition,  
20 contrary to the Government's position that it was raised for the first time in the motion for relief  
21 from judgment. In light of that fact, the Court solicits the Government's position on that portion  
22 of Petitioner's argument.

23 The surreply shall be filed with the Court no later than **August 31, 2012**. No further  
24 briefing shall be filed unless requested by the Court.

1 The clerk is ordered to provide copies of this order to all counsel.

2 Dated this 23rd day of August, 2012.
