10 v.

11 DOES 1 - 66,

12 Defendants.

Case No. C13-0309RAJ-RSL

ORDER QUASHING SUBPOENA

13
14
15 This matter comes before the Court on a letter seeking to quash a subpoena
16 issued to Comcast and to dismiss the above-captioned matter. Dkt. # 8. The subpoena
17 appears to be moot as it relates to IP address 76.28.192.131. The Court granted leave for
18 preliminary discovery for the purpose of identifying the Doe defendants: that purpose has
19 now been accomplished insofar as Anna Markhotok is concerned. Plaintiff has the
20 information it needs to serve Doe 58.

21 Quashing the subpoena will not, however, end or preclude this action for
22 copyright infringement. To the contrary, plaintiff will then have an opportunity to affect
23 personal service of the complaint, at which point defendant may file a response.¹
24

25
26 ¹ If and when service is accomplished on Ms. Markhotok, she may want to review Fed.
R. Civ. P. 12 when evaluating her options for presenting defenses and objections.

1 For all of the foregoing reasons, the subpoena issued to Comcast regarding
2 IP address 76.28.192.131 is QUASHED as moot.

3
4 Dated this 2nd day of May, 2013.
