19 Parties have directed efforts at settlement and exchanged offers of settlement over the  
20 last several months. Parties believe that extending the expert report deadline will increase the  
21 chances of settlement as the costs of an expert may push the parties further apart. The expert  
22 report is presently due on December 4, 2013. Parties request it be extended 30 days to January  
23 15, 2014.
