**UNITED STATES DISTRICT COURT  
WESTERN DISTRICT OF WASHINGTON  
AT SEATTLE**

CASSIE CORDELL TRUEBLOOD, next friend  
of A.B., an incapacitated person, et al.,

Plaintiffs,

v.

THE WASHINGTON STATE  
DEPARTMENT OF SOCIAL AND HEALTH  
SERVICES, et al.,

Defendants.

NO. 2:14-cv-01178-MJP

~~REVISIED PROPOSED~~ORDER ON MOTION FOR  
RECONSIDERATION

THIS MATTER comes before the Court on Defendants' Motion for Reconsideration of this Court's Order at Dkt. No. 1115. The Court has considered the Parties' pleadings and the Court's file, including the Court's most recent Order on Good Cause Exceptions (GCEs) at Dkt. No. 1135, as well as information provided to the Court at the most recent status hearing held in this matter. Accordingly, and with the Court being fully advised, the Court does hereby:

**ORDER**

- 1) The Department may file motions with this Court to request reductions in fines owed for GCEs. Requests for such reductions in fines may look back in time, but not more than six months. The Department is no longer bound by the one month time limit at Dkt. No. 1115 at 6.

~~REVISIED PROPOSED~~  
ORDER ON MOTION FOR  
RECONSIDERATION

1

ATTORNEY GENERAL OF WASHINGTON  
7141 Cleanwater Dr SW  
PO Box 40124  
Olympia, WA 98504-0124  
(360) 586-6565

- 1 a. These motions may be brought to seek either system wide audit type  
2 accounting adjustments, or patient level adjustments to fines for good cause.  
3 b. These motions are not necessary for the Department's regular monthly fine  
4 reporting and adjustments made through that process and as data settles.  
5 c. The Parties shall meet and confer prior to these motions being filed, and the  
6 motions shall indicate for each claimed GCE that Plaintiffs have been  
7 consulted and whether Plaintiffs agree that the Court's criteria for GCE have  
8 been met.

9 2) Notwithstanding this six month look back limitation and recognizing that some  
10 requests for reductions in fines have been pending before this Court, the Department  
11 may do a one-time extended look back, and request reductions in fines going back to  
12 January of 2024.

13 3) The Department must include Court-approved reductions in fines in subsequent  
14 monthly fines reporting declarations, so that these amounts may be reduced to  
15 Judgement along with month fines amounts.

16 4) This Order terminates Defendants' Motion for Reconsideration (Dkt. No. 1118) and  
17 Joint Motion For Approval of Settlement Agreement (Dkt. No. 1131).

18 The Clerk is directed to transmit copies of this Order to all counsel.

19 Dated this 5th day of August, 2024
