STIPULATED MOTION RE  
PROCEDURE FOR POST-VERDICT  
MOTIONS AND ~~[PROPOSED]~~ ORDER

**Noted for Consideration:  
February 28, 2017**

The parties, by their undersigned counsel of record, hereby stipulate and jointly move the Court pursuant to Local Rules 7(d)(1) and 7(f) to permit the filing of consolidated over-length briefs by each party to address post-trial motions. Both parties currently intend to file post-verdict motions in this case, including potential motions pursuant to Federal Rules of Civil Procedure 50(b), 59, and/or 65. The parties have met and conferred on a briefing schedule and both believe that post-trial motions can be addressed most efficiently through the use of consolidated omnibus briefs from each side rather than in individual motions. To adequately address the legal issues and factual record relevant to each motion, the parties request that the Court permit opening and response briefs not to exceed thirty pages and reply briefs not to exceed fifteen pages. The parties also jointly request that the Court set a simultaneous briefing schedule as follows: opening briefs to be filed and served no later than March 22, 2017 (twenty-eight days
