CIVIL CASE 2:15-cv-01224-RAJ

Hon. Richard A. Jones

**[PROPOSED] ORDER GRANTING
FINAL APPROVAL OF CLASS
ACTION SETTLEMENT AND
FINAL JUDGMENT**

NOTE ON THE MOTION
CALENDAR: AUGUST 23, 2019

Plaintiffs have filed a Motion for an Order Granting Final Approval of Class Action Settlement, Conditionally Certifying Proposed Settlement Class, Approving Motion for Attorneys’ Fees and Costs, and granting Incentive Award (“Motion”). Having reviewed the Motion and supporting materials, the Court determines and orders as follows:

On March 25, 2019, this Court entered an Order Granting Preliminary Approval of Settlement, resulting in certification of the following provisional Settlement Class:

All natural persons residing in the United States whose consumer report as defined by 15 U.S.C. § 1681a(d) was obtained by AllianceOne, from Experian, for the purpose of collecting a debt

1 arising out of any vehicle parking violation in the United States.
2 The class excludes all persons who have filed for bankruptcy.

3 Membership in the Settlement Class consists exclusively of individuals provided by
4 Defendants to the Settlement Administrator, as set forth in the Agreement. The Court
5 further approved the form of, and directed the parties to provide, the proposed Class
6 Notice to the Class, which informed Settlement Class Members of: (a) the proposed
7 Settlement, and the Settlement's key terms; (b) the date, time, and location of the Final
8 Approval Hearing; (c) the right of any Settlement Class Member to object to the proposed
9 Settlement, and an explanation of the procedures to exercise that right; (d) the right of any
10 Settlement Class Member to exclude themselves from the proposed Settlement; and an
11 explanation of the procedures to exercise that right; and (e) an explanation of the
12 procedures for Settlement Class Members to participate in the proposed Settlement.

13 No objections have been made, timely or otherwise, pursuant to the Class Notice
14 sent to the Settlement Class members, nor did any objectors appear at the time of the
15 hearing.

16 This matter having come before the Court for hearing pursuant to the Order of this
17 Court dated March 25, 2019, for approval of the settlement set forth in the Settlement
18 Agreement and Release ("Settlement"), and due and adequate notice having been given
19 to the Settlement Class Members as required in said Order, and the Court having
20 considered all papers filed and proceedings had herein and otherwise being fully informed
21 of the promises and good cause appearing therefore, it is ORDERED, ADJUDGED AND
22 DECREED THAT:

- 23 1. This Court has jurisdiction over the subject matter of the Action and over all of the
24 parties to the Action.
- 25 2. The Court finds that the Settlement Class is properly certified as a class for
26 settlement purposes only.
- 27 3. The Class Notice provided to the Settlement Class conforms with the requirements
28 of Fed. Rule Civ. Proc. 23, the California and United States Constitutions, and any

1 other applicable law, and constitutes the best notice practicable under the
2 circumstances, by providing individual notice to all Settlement Class Members who
3 could be identified through reasonable effort, and by providing due and adequate
4 notice of the proceedings and of the matters set forth therein to the other Settlement
5 Class Members. The notice fully satisfied the requirements of Due Process. No
6 Settlement Class Members have objected to the terms of the Settlement.

- 7 4. Four Settlement Class Members have opted out of the Settlement.
- 8 5. The Court finds that Defendant properly and timely notified the appropriate
9 government officials of the Settlement Agreement, pursuant to the Class Action
10 Fairness Act of 2005 (“CAFA”), 28 U.S.C. § 1715. The Court has reviewed the
11 substance of Defendant’s notice, and finds that it complied with all applicable
12 requirements of CAFA. Further, more than ninety (90) days have elapsed since
13 Defendant provided notice pursuant to CAFA and the Final Approval Hearing.
- 14 6. The Court finds the Settlement was entered into in good faith, that the settlement
15 is fair, reasonable and adequate, and that the Settlement satisfies the standards and
16 applicable requirements for final approval of this class action settlement under
17 California law, including the provisions of Fed. Rule Civ. Proc. 23. The Court
18 finds that the consideration to be paid to members of the Settlement Class is
19 reasonable and in the best interests of the Settlement Class Members considering
20 the disputed facts and circumstances of and affirmative defenses asserted in the
21 Action and the potential risks and likelihood of success of pursuing litigation on
22 the merits.
- 23 7. The Court has specifically considered the factors relevant to class settlement
24 approval (*see, e.g., Churchill Vill., L.L.C. v. Gen. Elec.*, 361 F.3d 566 (9th Cir.
25 2004))—including, *inter alia*, the strength of Plaintiff’s case; the risk, expense,
26 complexity, and likely duration of further litigation; the risk of not maintaining
27 class action status throughout trial; the relief provided for in the settlement; the
28 extent of discovery completed and stage of the proceedings; the experience and
views of counsel; and the reaction of the Settlement Class Members to the

1 proposed settlement (including the claims submitted and lack of any opt-outs or
2 objections)—and upon consideration of such factors finds that the Settlement is
3 fair, reasonable, and adequate to all concerned.

4 8. Accordingly, the Settlement is hereby finally approved in all respects, and the
5 Parties are hereby directed to implement and consummate the Settlement
6 Agreement according to its terms and provisions.

7 9. The terms of the Settlement Agreement and of this Final Order, including all
8 exhibits thereto, shall be forever binding in all pending and future lawsuits
9 maintained by the Named Plaintiff and all other Settlement Class Members, as well
10 as their family members, heirs, administrators, successors, and assigns.

11 10. Upon entry of this Order, compensation to the participating Settlement Class
12 Members shall be effected pursuant to the terms of the Settlement.

13 11. In addition to any recovery that Plaintiffs may receive under the Settlement, and in
14 recognition of the Plaintiffs' efforts and risks taken on behalf of the Settlement
15 Class, the Court hereby approves the payment of a Service Award to Plaintiff, in the
16 amount of \$5,000.00

17 12. The Court approves the payment of attorneys' fees and costs to Class Counsel in the
18 sum of \$733,333.00.

19 13. The Court approves and orders payment in an amount commensurate with KCC's
20 actual costs, and not to exceed \$75,000.00 to KCC for performance of its settlement
21 claims administration services.

22 14. Upon the Effective Date, the Plaintiffs and Settlement Class Members, [except the
23 excluded individuals referenced in paragraph 4 of this Order], shall have, by
24 operation of this Order and the accompanying Judgment, fully, finally and forever
25 released, relinquished, and discharged Defendant from all claims or liabilities
26 arising from or related to the facts, circumstances or subject matter of this Action,
27 as set forth in the Settlement Agreement. Upon the Effective Date, all Settlement
28 Class Members shall be and are hereby permanently barred and enjoined from the

1 institution or prosecution of any and all Released Claims that are released under the
2 terms of the Settlement. This Lawsuit and all claims of Plaintiffs and the Settlement
3 Class Members are hereby dismissed with prejudice. Furthermore, Plaintiffs and
4 all Settlement Class Members are hereby barred and permanently enjoined from (a)
5 filing, commencing, prosecuting, intervening in, promoting, or participating (as
6 class members or otherwise) in any lawsuit in any jurisdiction based on or arising
7 out of the claims and causes of action, or the facts and circumstances relating
8 thereto, in this Action; and (b) organizing Settlement Class Members who have not
9 been excluded from the Settlement Class into a separate class for purposes of
10 pursuing as a purported class action any lawsuit (including by seeking to amend a
11 pending complaint to include class allegations, or seeking class certification in a
12 pending action) based on or relating to the claims and causes of action, or the facts
13 and circumstances relating thereto, in this Action.

14 15. This Final Order and the Settlement Agreement (including the exhibits thereto) may
15 be filed in any action against or by any Released Party (as that term is defined herein
16 and the Settlement Agreement) to support a defense of *res judicata*, collateral
17 estoppel, release, good faith settlement, judgment bar or reduction, or any theory of
18 claim preclusion or issue preclusion or similar defense or counterclaim.

19 16. This Order, the Settlement, and any and all negotiations, statements, documents,
20 and/or proceedings in connection with this Settlement are not, and shall not be
21 construed as, an admission by Defendant of any liability or wrongdoing in this or in
22 any other proceeding.

23 17. Upon completion of administration of the Settlement, the Parties shall file a
24 declaration setting forth that claims have been paid and that the terms of the
25 Settlement have been completed.

26 18. This Judgment is intended to be a final disposition of the above captioned action in
27 its entirety, and is intended to be immediately appealable.

19. This Court shall retain jurisdiction with respect to all matters related to the administration and consummation of the settlement, and any and all claims, asserted in, arising out of, or related to the subject matter of the lawsuit, including but not limited to all matters related to the Settlement and the determination of all controversies related thereto.

IT IS SO ORDERED.

Dated this 12th day of November, 2019.

The Honorable Richard A. Jones
United States District Judge
