On December 22, 2016, plaintiffs filed “Class Counsel’s Motion for Attorney’s Fees, Costs and Class Representatives’ Incentive Awards” in the above-captioned matter. The motion was incorrectly noted on the Court’s calendar for consideration on January 13, 2017: objections to the fee petition and request for incentive awards are not due until January 23, 2017 (Dkt. # 22 at 10). The request for fees and awards will be considered at the Final Approval Hearing scheduled for March 2, 2017. The Clerk of Court is directed to renote Dkt. # 23 on the Court’s calendar for that date.

DATED this 19th day of January, 2017.
