UNITED STATES DISTRICT COURT
WESTERN DISTRICT OF WASHINGTON
AT SEATTLE

LISA SMITH,)	
)	CASE NO. C16-1818RSM
Plaintiff,)	
)	
v.)	MINUTE ORDER GRANTING
)	EXTENSION OF TIME
MEGAN DOHTRY, <i>et al.</i> ,)	
)	
Defendants.)	

The following MINUTE ORDER is made by direction of the Court, the Honorable Ricardo S. Martinez, Chief United States District Judge:

On January 8, 2018, Plaintiff moved this Court for an extension of time to propound her own discovery requests, including a potential deposition notice. Dkt. #45. Plaintiff recognized that the discovery deadline in this matter is approaching on March 12, 2018, and explained that she has responded to Defendants' discovery requests to date. *Id.* However, she seeks a 45-day extension of the discovery deadline to propound her own discovery, due to the fact that she recently suffered a stroke. *Id.* She explains the result of her stroke is that everything is taking her much longer to accomplish. *Id.* Defendants do not oppose a 45-day extension of time. Dkt. #46. Accordingly, the Court finds good cause for an extension of time, and **GRANTS** Plaintiff's motion (Dkt. #45). **Plaintiff shall have until April 16, 2018, to complete any of her own discovery directed at Defendants.** The Court notes that the discovery deadline is being extended for this limited purpose only.
