CASE NO. C16-1866-JCC

MINUTE ORDER

15
16 The following Minute Order is made by direction of the Court, the Honorable John C.
17 Coughenour, United States District Judge:

18 This matter comes before the Court on the parties' stipulated motion to extend the
19 briefing schedule on Plaintiff Northwest Environmental Advocates' motion for attorney fees
20 (Dkt. No. 189). Plaintiff and the Federal Defendants¹ request that the Court extend Federal
21 Defendants' deadline to respond to Plaintiff's motion until April 15, 2021 and Plaintiff's reply
22 deadline until April 29, 2021 due to their counsel's caseloads. Because the Court has entered
23 judgment in this case and an extension will not affect any other deadlines, the Court finds good
24

25 ¹ "Federal Defendants" is not defined with precision in the motion, but the Court understands the
26 term to refer to the U.S. Department of Commerce, the National Oceanic and Atmospheric
Administration, and the U.S. Environmental Protection Agency.

1 cause and GRANTS the motion. Although the State of Washington did not join the stipulation,
2 the Court concludes that its deadline to respond to Plaintiff's motion, if it chooses to respond,
3 should also be extended until April 15, 2021. Accordingly, the Court DIRECTS the Clerk to
4 renote Plaintiff's motion for attorney fees (Dkt. No. 177) for consideration on April 29, 2021.
5 Defendants must file any responses to Plaintiff's motion no later than April 15, 2021.

6 DATED this 6th day of April 2021.
