MINUTE ORDER

13 The following Minute Order is made by direction of the Court, the Honorable
14 Thomas S. Zilly, United States District Judge:

15 (1) Defendant's motion for reconsideration, docket no. 18, is DENIED.
16 Defendant was on notice of the discovery sought by plaintiff (the interrogatories and
17 requests for production having been attached to plaintiff's motion for limited discovery,
18 docket no. 14) and it had an opportunity to respond and be heard. To the extent that
19 defendant contends the information requested is not available or that the burden or
20 expense of its production is not proportional to the needs of the case or would outweigh
21 its likely benefit, *see* Fed. R. Civ. P. 26(b)(1), defendant may set forth such objection in
22 its response, which remains due on August 16, 2017.

23 (2) The Clerk is directed to send a copy of this Minute Order to all counsel of
record.

Dated this 28th day of July, 2017.
