15 Defendants.

Case No. C17-86RSL

ORDER GRANTING
MOTION FOR
EXTENSION OF TIME

17 This matter comes before the Court on plaintiff Evan Carnahan's "Motion for Extension
18 of Time to Add Parties." Dkt. # 27. For the reasons explained below, the motion is GRANTED.

19 This case arises out of an injury that plaintiff Evan Carnahan allegedly suffered at the
20 hands of a fraternity brother. Carnahan filed a complaint alleging negligence on the part of the
21 fraternity brother, David Leon, and negligence and breach of contract on the part of the national
22 fraternity, Alpha Epsilon Pi Fraternity, Inc. (AEP). In August 2017, the Court issued a Minute
23 Order that, among other things, set a deadline of August 30, 2017, for joining additional parties.
24 Dkt. # 26. On that day, plaintiff moved for a sixty-day extension, asserting that investigation in
25 the interim had revealed potential parties other than David Leon and AEP that may be proper
26 defendants as well.

27 Defendant David Leon does not oppose plaintiff's motion, but AEP opposes it on various
28 grounds that invoke the Federal Rules of Civil Procedure and the state statute of limitations.

1 Those arguments may apply to a potential amended complaint, but the matter before the Court
2 only concerns the Court's own deadline for adding parties. Plaintiff's motion was filed on the
3 deadline and resolution of this claim's merits stands to benefit from additional discovery to sort
4 through the proper defendants.

5 Defendant's motion, Dkt. # 27, is GRANTED, and the deadline for adding parties is
6 continued until January 14, 2018.

7
8 DATED this 22nd day of November, 2017.
