12 VS)	NOTICE OF INTERVENTION OF PARTY
13 PRESIDENT DONALD TRUMP Et All)	DAMAGED BY CORRUPT WASHINGTON
14 Defendant (s))	OFFICIALS AND NOTICE OF COUNTER
15)	CLAIM FOR DAMAGES
16 JAMES J. O'HAGAN, (Et All))	
17 Co- Defendant(s))	
18 _____))	

19 COMES NOW JAMES J. O'HAGAN and moves the court to intervene in the above
 20 identified case filed in the Western District of Washington as a matter of right, as described in
 21 the Federal Rules of Civil Procedures, Rule 24 (a) Intervention as a matter of Right.

22 I JAMES J. O'HAGAN swear under the penalty of perjury of the laws of the United States
 23 the following is true and correct to the best of my knowledge.

24 I am requesting a change of jurisdiction and venue for the reasons I cite below, and
 25 because the Federal Judges in the Ninth Circuit are motivated by their conflict of interests to be
 26 biased and prejudice, and it will be impossible to obtain a fair trial in the matters I present
 27 herein in the jurisdiction of the Ninth Circuit Court of Appeals.

28 I am an individual that has been seriously damaged by organized criminal actions of
 29 public officials holding public office in the Ninth Circuit Court Of Appeals, the U.S. Federal
 30 District Courts in Washington and Oregon and the State Courts in Washington and Oregon.

31 I ran for political office for the 19th District of Washington as a Republican candidate. In
 32 my run for political office I campaigned to clean up the corruption involved in the judicial
 33 branch of Washington State. In an attempt to control their interests in the organized crime in
 34 Washington State members of the Judicial Branch slanderously, viciously, maliciously and

1 vindictively attacked my political campaign and as such I was a victim of election crimes in
2 Washington State. As a result of organized election crimes of the judicial branch of Washington
3 State I lost by less than 10% of the vote.

4 The plaintiff of this case, Washington State Attorney General Robert Ferguson directly
5 engaged in the election crimes identified in RCW 29A.84.720 Officers – Violations Generally¹, as
6 such he and his accomplices are guilty of the class C felony described therein. In accordance
7 with RCW 29A.84.720 I am requiring Washington State Attorney General Robert W. Ferguson,
8 Governor Jay Inslee and their accomplices in the corrupt judicial branch of Washington State
9 including but not limited to our Supreme County Justices to vacate their offices immediately.

10 The corruption I ran to expose and rid the State of Washington of, is rooted deep in the
11 Federal District courts and the Ninth Circuit Court of Appeals, and as such I will never be able to
12 address the election crimes I was subjected to in the jurisdiction of the judicial branch of
13 Washington State or the Jurisdiction of the Ninth Circuit Court of Appeals.

14 I will provide evidence showing where top ranking Public officials including Robert
15 Ferguson and top ranking judicial branch members instigated, condoned and supported
16 election crimes against me to prevent me from getting elected and addressing the organized
17 crimes and criminal activities of top ranking public officials in Washington State and the Federal
18 courts in Washington, Oregon and the Ninth Circuit Court of Appeals.

19 I will provide evidence showing Washington State Democrats have a history of engaging
20 in public corruption and election crimes, to maintain control of the government in Washington
21 State and conceal their involvement in public corruption and subversive attacks on our
22 constitutional form of government. I will provide evidence showing that the U.S. Federal District
23 Courts in Washington and Oregon have assisted and are accomplices to corrupt Washington
24 and Oregon officials organized criminal actions (RICO).

¹ **RCW 29A.84.720 Officers—Violations generally.** Every person charged with the performance of any duty under the provisions of any law of this state relating to elections, including primaries, or the provisions of any charter or ordinance of any city or town of this state relating to elections who willfully neglects or refuses to perform such duty, or who, in the performance of such duty, or in his or her official capacity, knowingly or fraudulently violates any of the provisions of law relating to such duty, is guilty of a class C felony punishable under RCW 9A.20.021 and shall forfeit his or her office.

1 I will provide evidence showing that corrupt public officials in Washington allowed dead
2 people to vote and registered illegal aliens to vote to support their organized crimes,
3 corruption, subversive activities² to overthrow the separate branches of government, socialist
4 and communistic agendas.

5 I will provide evidence showing this case filed by Attorney General Robert Ferguson and
6 Governor Jay Inslee was filed to insure they and their accomplices would get elected to conceal
7 organized crimes and corrupt activities and protect their criminal and corrupt activities
8 involving election fraud and voter crimes. I will provide testimony and evidence to show the
9 intent of this lawsuit is to allow illegal aliens to vote for them and their accomplices.

10 I will provide evidence showing corrupt public officials in Washington and Oregon
11 purchased votes by provided pecuniary benefits, special privileges and immunities to influence
12 voters to vote for them.

13 I will provide evidence showing that Washington State Attorney General Robert
14 Ferguson and Washington State attorney Governor Jay Inslee stole more than 6 million dollars
15 from my family in an attempt to prevent me from being financially able to expose the organized
16 criminal activities of public officials in Washington State.

17 I will provide evidence showing where the authors of the Law Professors Brief Lane
18 Powell were directly involved in the Washington State Patrol's white collar criminal
19 investigation to defraud my family, and Washington State Attorney General Robert W.

² **RCW 9.81.020 Subversive activities made felony—Penalty.**

(1) It is a class B felony for any person knowingly and willfully to:

(a) Commit, attempt to commit, or aid in the commission of any act intended to overthrow, destroy or alter, or to assist in the overthrow, destruction or alteration of, the constitutional form of the government of the United States, or of the state of Washington or any political subdivision of either of them, by revolution, force or violence; or

(b) Advocate, abet, advise, or teach by any means any person to commit, attempt to commit, or assist in the commission of any such act under such circumstances as to constitute a clear and present danger to the security of the United States, or of the state of Washington or of any political subdivision of either of them; or

(c) Conspire with one or more persons to commit any such act; or

(d) Assist in the formation or participate in the management or to contribute to the support of any subversive organization or foreign subversive organization knowing the organization to be a subversive organization or a foreign subversive organization; or

(e) Destroy any books, records or files, or secrete any funds in this state of a subversive organization or a foreign subversive organization, knowing the organization to be such.

(2) Any person upon a plea of guilty or upon conviction of violating any of the provisions of this section shall be fined not more than ten thousand dollars, or imprisoned for not more than ten years, or both, at the discretion of the court.

1 Ferguson was directly involved in executing defrauding my family by covering it up and
2 preventing me from adjudicating the fraud of his co- accomplices and lawyers practicing in his
3 accomplice, Governor Jay Inslee's law firm (Gregory Ursich). I will provide undisputable
4 evidence that shows deceit, deception and fraud are common practices of the plaintiffs and
5 their accomplices.

6 I will provide evidence showing the judicial branch of Washington State has overthrow
7 the Legislative and Executive branches of Washington State to obtain power, money and
8 "Nobility" for their fellow members of the Judicial branch.

9 I will provide evidence showing the Judicial Branch of Washington State have become
10 predators who are preying on the lives, liberties and properties of the producers and beneficial
11 parasites of Washington State and Oregon State.

12 I will provide evidence showing where the predators and detrimental parasites of
13 Washington and Oregon state and federal governments are soliciting pecuniary benefits,
14 special privileges and immunities from the beneficial parasites of Washington and Oregon State
15 and Federal governments to create Nobility, money and power to them and their accomplices.

16 JURSDICTION

17 Jurisdiction is proper outside of the Ninth Circuit because the Judges of the Ninth Circuit
18 are corruptly creating the problem and as such defendants to the action.

19 COUNTER CLAIM FOR DAMAGES

20 The foregoing and following is to be considered a claim for damages. I intend to
21 leverage the official bonds and malpractice insurance policies of the public officials involved
22 and their accomplices for organizing to defraud my family and preventing me from getting
23 elected to public office. I will identify additional causes of action and defendants to my counter
24 claim when time allows me to proceed with an official complaint for damages.

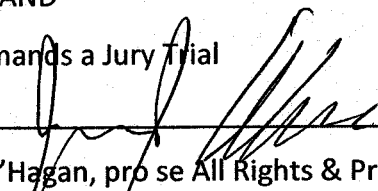

- 25 1. Fraud - A jury will determine I was defrauded by organized criminal actions of the
26 plaintiff and others by more than 6 million dollars, and will award me triple
27 damages.

- 2. Election Crimes – A jury will determine the plaintiff worked with others to instigate and conceal election crimes and will award me, my family, Next friends, and political supporters substantial damages for economic, emotional, social, public humiliation, public ridicule, public embarrassment, physical distress, physiological pain, and unconstitutional and criminal “takings’ of life liberty and property.
- 3. A complete tort claim identifying constitutional violations @ \$10,000.00 per violation and identifying other defendants of counter claim will be forthcoming, as discovery and evidence warrants.
