7 UNITED STATES DISTRICT COURT
8 WESTERN DISTRICT OF WASHINGTON
9 AT SEATTLE

10 JINNI TECH, LTD., et al.,

CASE NO. C17-0217JLR

11 Plaintiffs,

ORDER

12 v.

13 RED.COM, INC., et al.,

14 Defendants.

15 Before the court is the parties' joint status report ("JSR"). (JSR (Dkt. # 70).) In
16 the JSR, the parties explain that the companion lawsuit in the Central District of
17 California, *see Red.com, Inc. v. Jinni Tech, Ltd.*, No. 8:17-cv-00382-CJC-KES, (C.D.
18 Cal.) ("the California case"), resolved on June 26, 2019. (*Id.* at 1; *see also id.* at 5-7
19 (order granting voluntary dismissal in the California case).) The court previously stayed
20 this action pending resolution of the California case. (*See* 10/26/18 Order (Dkt. # 59) at
21 15-16.) In the court's order that stayed this action, the court ordered the parties to file a

22 //

1 JSR within 14 days of the completion of the proceedings in the California case “briefly
2 outlining the resolution of the California case and proposing a new case schedule.” (*Id.*)

3 On June 24, 2019, two days before the California case resolved, the court granted
4 Philip Mann’s unopposed motion to withdraw as counsel for Plaintiffs Jinni Tech, Ltd.
5 and Bruce Royce (collectively, “Plaintiffs”). (6/24/19 Order (Dkt. # 68).) In that order,
6 the court specified that Mr. Mann’s withdrawal would not be effective for 30 days. (*Id.*
7 at 6-7.) Thus, Mr. Mann remains as Plaintiffs’ counsel until July 24, 2019.

8 On July 3, 2019, the parties filed the JSR, outlining the resolution of the California
9 case and requesting that the court “hold this matter in abeyance until such time as new
10 counsel for Plaintiff[s] appears or until the time for Plaintiff[s] to secure new counsel
11 expires.” (JSR at 2.)

12 In light of the circumstances, the court GRANTS the parties’ request.
13 Specifically, the court extends the time for the parties to propose a new case schedule
14 until 14 days after either new counsel for Plaintiffs appears or the time for Plaintiffs to
15 secure new counsel expires.

16 Dated this 15th day of July, 2019.
