The following minute order is made at the direction of the Court, the Honorable James P. Donohue, United States Magistrate Judge:

Civ. P. 65(c). Dkts. 60, 62, 65. Specifically, the Court directed the parties to either submit a stipulation, or if they are unable to agree, submit separate submissions explaining their respective positions. Dkt. 49 at 29.

MINUTE ORDER
PAGE - 1

1 To date, the parties have been unable to reach an agreement as to the appropriate bond
2 amount in this case. On September 7, 2017, defendants asked the Court to set the bond at
3 \$474,400. Dkt. 60. By contrast, plaintiff asks the Court to find that the cost to defendants of
4 complying with the preliminary injunction issued by the Court will be no more than \$45,000,
5 and therefore set a bond amount of no more than \$45,000. Dkt. 62.

6 On September 11, 2017, defendants submitted a “supplement” to their prior response,
7 which was neither requested nor authorized by the Court’s Report and Recommendation. Dkt.
8 65. Plaintiff may file an optional response to defendants’ “supplement” by no later than
9 **Friday, September 15, 2017**. Absent an Order of the Court directing additional briefing, no
10 further submissions regarding the bond will be considered.

11 The Clerk is directed to send a copy of this Minute Order to counsel for all parties.

12 DATED this 11th day of September, 2017.
