MINUTE ORDER

12 The following Minute Order is made by direction of the Court, the Honorable
Thomas S. Zilly, United States District Judge:

13 (1) Plaintiff's motion, docket no. 24, to supplement his response to defendant's
14 motion for summary judgment is GRANTED. Although plaintiff's motion to supplement
15 was improperly noted for the day after it was filed, defendant filed a substantive response
16 within the time that would have been allowed if plaintiff's motion had been properly
17 noted, and the Court therefore declines to strike plaintiff's motion to supplement. The
supplemental materials submitted by plaintiff, namely the report of Robert B. Dietz and
related documents, will be considered by the Court in deciding defendant's motion for
summary judgment, along with defendant's objections to, and request to strike, such
evidence.

18 (2) The Clerk is directed to send a copy of this Minute Order to all counsel of
19 record.

20 Dated this 12th day of February, 2018.
