Defendants.

THIS MATTER COMES before the Court on Plaintiffs' Motion for Extension of Time to respond to Defendant Northwest Trustee Services, Inc.' pending motion to dismiss. Dkt. #23. Defendant's motion was noted for consideration on September 1, 2017, and therefore Plaintiffs' response was due no later than August 28, 2017. *See* Dkt. #7 and Local Civil Rule 7(d)(3). Plaintiffs did not file the instant motion until August 31st. Plaintiffs assert that they need more time to respond as they are *pro se* in this matter and need more time to review the motion and research and formulate an adequate response. Dkt. #23. Accordingly, they ask for an extension of time until September 30, 2017, to file a response. *Id.* Defendant opposes the motion, arguing that the motion was untimely, it will increase the costs of litigation for Defendant, and Plaintiffs offer no legitimate explanation for their request. Dkt. #24.
