MINUTE ORDER

1 The following Minute Order is made by direction of the Court, the Honorable
2 Thomas S. Zilly, United States District Judge:

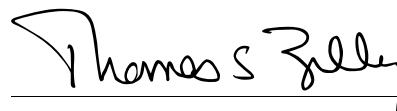

3 (1) Plaintiff's motion for expedited discovery, docket no. 5 in each of these
4 cases, is GRANTED as follows. Plaintiff may issue a subpoena pursuant to Federal Rule
5 of Civil Procedure 45 to any Internet service provider ("ISP") associated with the Internet
6 Protocol ("IP") addresses identified in Exhibit B to the Complaint in each of these cases.
7 Such subpoena may request the name, street address, and e-mail address (but not the
8 phone number) of the subscriber connected with each such IP address. An ISP served
9 with a subpoena authorized by this Minute Order shall give written notice **and copies of**
10 **the subpoena and this Minute Order** to the affected subscriber, via first-class U.S.
11 mail, and via e-mail if practicable, **within seven (7) days after receipt of the subpoena.**
12 The ISP shall not disclose the information sought in the subpoena during the 30-day
13 period after notice is sent to the subscriber.

14 (2) Any objection to the subpoena by either the ISP or the affected subscriber
15 must be served on plaintiff's counsel **within 30 days after receipt of the subpoena.**
16 Such objection must be sent to David A. Lowe via either first-class U.S. mail at Lowe
17 Graham Jones PLLC, 701 Fifth Avenue, Suite 4800, Seattle, WA 98104, or e-mail at
18 Lowe@LoweGrahamJones.com. Any objection may also, but need not be, filed with the
19 Court by sending it to the Clerk of the Court, United States District Court for the Western
20 District of Washington, 700 Stewart Street, Seattle, WA 98101. If an objection is so
21 served (or filed), plaintiff's counsel shall immediately notify the ISP, and the ISP shall
22 preserve the material responsive to the subpoena at issue, but it shall not disclose the
23 information sought therein, until further order of the Court. An objection need **not**
contain the subscriber's name, address, or other identifying information, but it must
specify the IP address as to which the challenged subpoena was issued.

(3) If no objection is served, the ISP shall comply with the subpoena as soon as
practicable after the termination of the 30-day waiting period, **but no later than 60 days**
after receipt of the subpoena.

(4) The Clerk is directed to send a copy of this Minute Order to all counsel of
record. Plaintiff's counsel is directed to provide a copy of this Minute Order along with
each subpoena issued pursuant hereto.

Dated this 14th day of August, 2017.

Thomas S. Zilly
United States District Judge
