7 IRONBURG INVENTIONS LTD.,

8 Plaintiff,

9 v.

10 VALVE CORPORATION,

11 Defendant.

C17-1182 TSZ-JPD

MINUTE ORDER

12 The following Minute Order is made by direction of the Court, the Honorable  
13 Thomas S. Zilly, United States District Judge:

14 (1) Defendant's motion for stay, docket no. 190, is DENIED. The Court is  
15 persuaded that a stay of this matter during the pendency of *Inter Partes* Review ("IPR")  
16 proceedings before the Patent Trial and Appeal Board ("PTAB"), initiated by Collective  
17 Minds Gaming Co. Ltd., which is not a party to this case, would not serve to simplify this  
18 case and might unduly prejudice plaintiff. *See Supercell Oy v. Rothschild Digital Media  
19 Innovations, LLC*, 2016 WL 9226493 at \*2 (W.D. Wash. July 28, 2016) (outlining as  
20 factors to consider in deciding a motion to stay: (i) the stage of the case; (ii) whether a  
21 stay would simplify the court proceedings; and (iii) whether a stay would unduly  
22 prejudice or present a clear tactical disadvantage to the non-moving party).

23 (2) The Clerk is directed to send a copy of this Minute Order to all counsel of  
record and to Magistrate Judge Donohue.

Dated this 2nd day of August, 2018.
