6 UNITED STATES DISTRICT COURT
7 WESTERN DISTRICT OF WASHINGTON
8 AT SEATTLE

9 ISOM R TAYLOR,

10 Plaintiff,

11 v.

12 MGC MORTGAGE INC, et al.,

13 Defendants.

CASE NO. C17-1352 RAJ

ORDER

14 This matter comes before the Court on Plaintiff's Amended Motion for
15 Postponement. Dkt. # 16. Plaintiff asks the Court to postpone the case for 21 days so
16 that he may find a lawyer.

17 Plaintiff made the choice to file and pursue this lawsuit. Based on the record, it
18 appears that Plaintiff has had ample time to locate an attorney. In fact, it appears Plaintiff
19 could have waited to file this lawsuit until he had representation, if that was the route he
20 preferred. The Court does not take well to Plaintiff's tactics in delaying the litigation that
21 he commenced. For these reasons, the Court **DENIES** Plaintiff's motion to postpone.

22 Dated this 24th day of October, 2017.
